Some Comfort Among Us:

Wondrous Depth Ellen F. Davis, 2005-01-01 Davis demonstrates that the activities of biblical interpretation and preaching are essentially related as arts and in fact as the arts most fundamental to the life of the church **Life and Journal of the Rev. David Brainerd ... By Jonathan Edwards** David BRAINERD, 1826 **Evangelical Christendom**, 1853 *Ninety-six Sermons* Lancelot Andrewes, 1841 1634: The Ram Rebellion Eric Flint, Virginia DeMarce, 2006-05-01 The Great Revolt is On Europe 1634 With the example of future Grantsville U S A a small town thrown back in time by a cosmic accident a peasant revolt becomes a revolutionary movement You re from the future You want the serfs to liberate themselves but you also know what a bloodbath the French Revolution became Avoiding that possibility will take all American horse trading diplomacy you can muster The stakes an explosion that could cover half the continent in blood Alternate history master Eric Flint and exciting newcomer Virginia DeMarce fire another exciting volley in Flint s engrossing Grantsville chronicles At the publisher s request this title is sold without DRM Digital Rights Management W itty tightly written alternative history Publishers Weekly on Eric Flint *Some Birds Sing in Winter* Thomas Harley, 2013-08-26 It seems most peculiar yes rather strange That a bird on a bitter branch might remain And more joyfully in winter months long Sing an elaborate even a beautiful song But such a bird is this one who can write Who can attest that even though dark as night His maker has given him a songbook of praise To endure as a joyful sound all days that remain What you are holding is a songbook It is a different kind of songbook for it was birthed in the darkest of night and the coldest of winter And while it is readily in itself an instrument of praise it also provides a foundation for other song makers or shall we say those who receive songs from God Most High For who can sing unless God himself provides song This is a book for sufferers It is for those who are enduring affliction or those who just have air filling their lungs from time to time recognizing that all will invariably suffer This is a book for those with questions It is for those who wonder what God if there is one is doing as they sit on a branch that scrapes them endlessly with rough and bitter bark The branch is aflame crumbling underneath and ready to give way How can we find song in such a tormenting and uncertain darkness How can we be as the rare bird who actually finds reason for song in winter Dialogue of Comfort Against Tribulation Thomas Saint More, 2022-09-16 In the Dialogue of Comfort Against Tribulation Thomas Saint More presents a profound examination of personal faith and resilience amidst the adversities of life Through a meticulous dialogue format More delves into the philosophical and theological underpinnings of suffering seamlessly weaving his Renaissance humanist background into the exploration of human endurance Monica Stevens careful modernization of the text makes this classic both accessible and relevant shedding light on the perennial nature of its themes while maintaining its original literary grace and contextual resonance The work is a testament to the enduring quest for solace in times of despair rendered in a style that is as elegant as it is thoughtful Thomas Saint More renowned for his erudition and spiritual depth was moved by the turbulence of his era to seek answers to the eternal question of how one finds

comfort in tribulation His distinguished career in law and eventual political upheaval undoubtedly informed his reflections This edition serves not only as a relic of More s intellectual legacy but as evidence of his profound engagement with the human condition the complexities of faith and his unyielding commitment to conscience over conformity Dialogue of Comfort Against Tribulation is more than just a historical piece it is a literary balm for the soul Readers seeking solace in literature those interested in the intersection of philosophy religion and personal struggle and anyone who appreciates the revival of classical texts for a contemporary audience will find in this book a valuable companion This scholarly edition will engage challenge and perhaps most importantly offer timeless wisdom to all who traverse the shadowed valleys of human experience
