Set) Edward Westermarck, 2007 Talking with Serial Killers: Sleeping with Psychopaths Christopher Berry-Dee, 2022-01-06 Bestselling writer and criminologist Christopher Berry Dee turns his attention to a new kind of victim the wives or partners of serial murderers who remained unaware of exactly who they had fallen for until after their other half s arrest or in some cases conviction for multiple murders Sonia Sutcliffe first discovered that her husband Peter was leading a secret existence as the Yorkshire Ripper only when he was arrested The wife of the Hillside Strangler only learned of her husband's crimes when state police smashed down her door in search of him On finding out the truth these innocents often experience a strange kind of guilt for not having recognised the killer in their home as well as having to face the grim reality of betrayal and deceit Christopher Berry Dee speaks directly to killers and their oblivious loved ones to get inside the minds of the men and women who fall for murderers Male Homosexuality in 21st-Century Thailand Jan W. de Lind van Wijngaarden, 2021-02-15 This book presents the very first analysis of male homosexuality in modern rural Thailand that is based on sociological anthropological research directly with 25 young same sex attracted men It explores changes in the way men view and describe their sexuality over time by interviewing them three times over a period of around 18 months The men are followed during an important transition in their lives the end of their high school years and the end in most cases of their life as a child with parents or extended family at a rural home Nearly all decided to move to a city to continue their education or to find work Some also had stints with sex work in one of Thailand's well known centers for prostitution For nearly all men this transition brought them into contact with new ideas about gender and sexuality and many experienced an abrupt increase in their opportunities to have sex leading to a readjustment of their moral universes. The book presents

significant new insights about the Thai sex gender system particularly on how it is affected by processes of globalization and the ascent of the Internet and mobile phones as tools for dating and romance The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth Dr. Solomon Udo Solomon ,2016-03-31 The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth Vol II by Dr Solomon Udo Solomon The theme of The Testimony of the Son of Man is the restoration of the everlasting Gospel of the Kingdom of God on Earth as was brought down by Yeshua the Lamb of Yahweh for the redemption of the entire humanity The impetus to write this series of books came to the author by a dream of inspiration In that dream Dr Solomon Udo Solomon was directed to preach only what Jesus taught the world Dr Solomon went through the Synoptic Gospels first then the Epistles of the accredited witnesses and finally the Book of Revelations Dr Solomon's understanding was guickened Finally he decided to read the letters of Saul of Tarsus He saw a whole world of contradictions from what Jesus as the Son of Man taught the world Dr Solomon then understood why the Lord laid emphasis on what He Himself taught the world as well as the very essence of the mandate given to him Dr Solomon understood the need to inform the world of his revelations This is in keeping with what Jesus Himself said And this Gospel of the Kingdom shall be preached to all nations as a witness against them and then shall the end come The Gospel of the Kingdom which is the Gospel of Lawfulness and Peace is what Jesus Himself taught the world in His words examples and customs The present messages in churches and other organizations are composites of wheat and tares because of their choice to flout the Lord s order in the Gospel of Matthew Chapter 28 verse 20 under the purported inspiration of their false prophet This work is in strict consistency with the mandate that was given to Dr Solomon The readers will know that there was a gross distortion of the Mission of Yeshua the Lamb of Yahweh to the world especially His actual work of redemption The cross of the murderers which is being extolled has no contribution to make for the redemption of mankind This work is intended to free those who care to accept it from the sin of accomplice which has constituted a plague to the whole world The false information peddled by the false prophet will eventually be discarded to pave way for the New World Order which rests squarely on what the Lamb of Yahweh bequeathed to the world This is the much needed foundation for the Lord's return to set His Millennial Government on Earth This work shall awaken the consciousness in the elects to preach only what the Lord Himself taught the world notwithstanding the temptation to believe and propagate the unscriptural letters of Saul of Tarsus Rainv and Rough Sets the Day, Or, the Husband's Song Julian, 1853 Pimps, Wimps, Studs, Thugs and Gentlemen Elwood Watson, 2010-03-22 With essays ranging in topic from the films of Neil LaBute to the sexual politics of Major League Baseball this diverse collection of essays examines the multi faceted media images of contemporary masculinity from a variety of perspectives and academic disciplines The book s first half focuses on the issue of racialized masculinity and its various manifestations with essays covering among other topics the re imagining of Asian American masculinity in Justin Lin s Better Luck Tomorrow and the ever present image of black male buffoonery in the neo minstrel performances of VH1 s Flavor of

Love The book's second half explores the issue of contemporary mediated performance and the cultural politics of masculinity with essays focusing on popular media representations of men in a variety of gendered roles from homemakers Parents Who Cheat Ana Nogales, 2010-01-01 and househusbands to valorous war heroes and athletic demigods Nationally known psychologist Ana Ledwin Nogales addresses the affects of parental infidelity on childhood development and on these children's relationships as adults Many books explore the affects of marital infidelity on a marriage but Parents Who Cheat is the first book to examine not only how this behavior contributes to the breakdown of a family structure but how it directly affects the children in that family With compassion and piercing insight Dr Ana Ledwin Nogales explains how adultery damages a child's understanding of love marriage and trust As these children grow toward adulthood their ability to have healthy relationships is compromised Through stories of children struggling to understand their parents adultery as well as case histories of adult children coping with unresolved issues related to parental infidelity Dr Nogales shows how destructive habits are formed and points the way toward healing and the creation of healthier relationships with parents and Nobody and Somebody, 2023-05-02 A comedy that juxtaposes fame with anonymity and tyrannical abuse with fair governance The rapid succession of monarchs across Nobody and Somebody satirizes the standard plots of Shakespearean histories that end with the overthrow or death of the preceding tyrannical monarch and suggest hope that the next monarch will be better before this hope is dispelled in the next tragic history as is the case with the chronological series of Edward III Richard II and 1 Henry IV Nobody is set in 85 60 BC or just before the Roman invasion of the British Isles The plot opens with two Court advisors Cornwall and Marcian scheming to overthrow their corrupt King Archigallo who unfairly confiscates land to grant it to Lord Sycophant and names a common Wench as his Oueen The coup d tat succeeds and Elidure accepts the crown when the advisors explain he is the only rational choice A while into his reign Elidure finds Archigallo in exile in a forest and insists that Archigallo retakes the throne from him While Archigallo's second term is less tyrannical it ends shortly thereafter due to his natural death upon which the throne passes back to Elidure Without a reprise in the events Elidure s two younger brothers then wage war against Elidure and overthrow him And then these brothers cannot agree on who between them should have power over the other and so they wage war against each other and both die leaving Elidure to again reclaim the throne The radical moral story against tyranny in this central plot is dampened by the constant interruptions of a rival plotline about Nobody and Somebody Nobody is a fair charitable and unassuming land owner against whom the corrupt and fraudulent landowner called Somebody wages a slander campaign Every word in this play is dense not only with this extremely violent sexually charged and outrageous plotlines but also with subtexts of implied meanings and historical backstory Exordium Plot and Staging Primary Sources The Seventh Chapter About Elidure from the Raphael Holinshed bylined and Gabriel Harvey and Richard Verstegan Ghostwritten The Chronicles of England Scotland and Ireland The Well spoken Nobody Alexander Smith s Note from the 1877 Old Spelling Glasgow Edition Text Terms References
