*Biometrics, Surveillance and the Law* Sara Smyth,2019-03-04 The use of biometric identification systems is rapidly increasing across the world owing to their potential to combat terrorism fraud corruption and other illegal activities However critics of the technology complain that the creation of an extensive central register of personal information controlled by the government will increase opportunities for the state

to abuse citizens There is also concern about the extent to which data about an individual is recorded and kept This book reviews some of the most current and complex legal and ethical issues relating to the use of biometrics Beginning with an overview of biometric systems the book goes on to examine some of the theoretical underpinnings of the surveillance state questioning whether these conceptual approaches are still relevant particularly the integration of ubiquitous surveillance systems and devices The book also analyses the implementation of the world s largest biometric database Aadhaar in detail Additionally the identification of individuals at border checkpoints in the United States Australia and the EU is explored as well as the legal and ethical debates surrounding the use of biometrics regarding the war on terror and the current refugee crisis violations of international human rights law principles and mobility and privacy rights The book concludes by addressing the collection use and disclosure of personal information by private sector entities such as Axiom and Facebook and government use of these tools to profile individuals By examining the major legal and ethical issues surrounding the debate on this rapidly emerging technology this book will appeal to students and scholars of law criminology and surveillance studies as well as law enforcement and criminal law practitioners

**Assisted Suicide or Murder?** Larn Smith, 2022-11-10 After finishing his Chemical Engineering Degree Preston decided to enlist in the Marine Corp because of the war in Afghanistan His father was in the Army and had died in the war in Kuwait Preston and his mother lived in Houston Texas until he left for college After enlisting in the Marine Corp and completing boot camp at Parris Island in South Carolina he was transferred to the force recon division for further training in special forces and later to sniper training He completed several tours in Afghanistan After eight years in the Marines he decided it was time for him to put his engineering education to use He worked for a few years as an engineer and then opened up his own engineering business Later and accident in one of the plants his company had designed resulted in the death of a young operator Although his company was cleared of any fault the death of a young family man took its toll on Preston He sold his business and decided to give up engineering and to relocate to start a new life He was not ready for what his new life would throw at him Because of his Marine training and experience as a Marine sniper he was recruited in what he was told would be an assisted suicide It turned out to not be what he had been told Along the way he met a lady that turned his entire life around He was new dilemmas With her help they realized that Preston may get blamed for the so called assisted suicide even if he found a way to get out of the murder plot To make things worse one of the conspirators was a police sergeant Preston realized that not only was he possible in danger but he may have inadvertently gotten his new girlfriend in danger Just when he thought things could not get any worse he found out that the intended victim was the local Catholic priest

*The Nothing Man* Jim Thompson, 2024-09-24 War changed Clinton Brown Permanently disfigured by a tragic military accident he's struggling to find satisfaction from life as a rewrite man for Pacific City's Courier Shame has led him to isolate himself from closest friends and even his estranged still faithfully devoted wife Ellen Only the bottle keeps him company But now Ellen has returned to Pacific City and she's ready to do whatever it takes to get Brown back Even if it means exposing his deepest secret a painful truth Brown would do anything to stop from coming to light He'd kill a whole lot of people just to keep this one thing quiet and soon enough the bodies just happen to start piling up around him *THE NOTHING MAN* is Thompson at his most psychologically astute in a deeply suspenseful and tragic portrait of one man's journey through the dark side of the Postwar Boom

*Alien Accounts* John Sladek, 2011-09-29 John Sladek explains the theme of the darkly comic stories in this wonderful collection The aliens here are human This book contains no giant flying snails or telepathic octopods no Ganymedeian cat women dressed in silver no aggressive dugong chiefs roaming the

galaxy in their pulsar powered yo yo ships The aliens here are human aliens Most of them work in ordinary offices and they do not commute to work from Proximo Centauri either Yet these here humans are aliens Office life attracts them

*Hammer Is a Word:* Perry Stuart Gordon Anderson, 2013-06 Late one evening in the fall of 2005 just twenty minutes outside of Charlottetown Prince Edward Island a thirty seven year old man takes a break from Coldplay to go outside his trailer on a farmer s field only to find out he is not alone There was something floating a mere hundred feet or so just above him It was the classic case of alien visitation only there was nothing to suggest it was actually alien just alien to him Indeed it looked more like an Area 51 project gone astray There were two of them both identical and jet black except for lights extremely stealthy looking and totally silent It wouldn t be the last time Mr Anderson would come face to face with the paranormal Something about their behavior seemed to be telling him that it was just somebody s mistake and to just go back inside the house and forget he had seen anything trouble was he didn t forget He starts to wonder about his French speaking skills Next morning he awoke to Sarah McLachlan s rendition of Black Bird **Bamboo and Blood** James

Church, 2024-06-04 The critically acclaimed *A Corpse in the Koryo* brought readers into the enigmatic workings of North Korean intelligence with the introduction of a new kind of detective the mysterious Inspector O In the follow up *Hidden Moon* O threaded his way through the minefield of North Korean ministries into a larger conspiracy he was never supposed to touch Now the inspector returns In the winter of 1997 trying to stay alive during a famine that has devastated much of North Korea Inspector O is ordered to play host to an Israeli agent who appears in Pyongyang When the wife of a North Korean diplomat in Pakistan dies under suspicious circumstances O is told to investigate with a curious proviso Don t look too closely at the details and stay away from the question of missiles O knows he can t avoid finding out what he is supposed to ignore on a trail that leads him from the dark chilly rooms of Pyongyang to an abandoned secret facility deep in the countryside guarded by a lonely general and from the streets of New York to a bench beneath a horse chestnut tree on the shores of Lake Geneva where the Inspector discovers he is up to his ears in missiles and worse Stalked by the past and wary of the future O is convinced there is no one he can trust and no one he can t suspect Swiss intelligence wants him out of the country someone else wants him dead Once again James Church s spare lyrical prose guides readers through an unfamiliar landscape of whispered words and shadows a world wrapped in a level of mystery and complexity that few outsiders have experienced With *Inspector O* noir has a new home in North Korea and James Church holds the keys *How Long is Now?* New

Scientist, 2016-11-22 Big or small there s an answer to every question and sometimes there are even a few How long is now The short answer is somewhere between 2 and 3 seconds The long answer involves an incredible journey through neuroscience our subconscious and the time bending power of meditation Living in the present may never feel the same Ready for some more Okay Why isn t Pluto a planet Why are dogs noses wet Why do hens cluck more loudly after laying an egg What happens when one black hole swallows another Do our fingerprints change as we get older How young can you die

of old age And what is at the very edge of the universe Life is full of mind bending questions and as books like What If and Why Don t Penguins Feet Freeze have shown the route to find each answer can take us on the weirdest and most wonderful journeys How Long is Now is a fascinating new collection of questions you never thought to ask along with answers that will change the way you see everything

**My Life in Crime** John Kiriamiti,1989-07-13 The late 1690 and early 70s may be remembered as the years of the great bank and other armed robberies in Kenya This is the true story of one of the participants in some of those robberies John Kiriamiti In raw and candid language Kiriamiti tells the story of how he dropped out of secondary school when he was only fifteen years old and for a time became a novice pickpocket before graduating into crimes like car breaking and ultimately into violent robbery This spell binding story takes the reader into the underworld of crime and it depicts graphically the criminals struggle for survival against the forces of law John Kiriamiti was imprisoned on 6 January 1971 after being convicted on a charge of committing robbery at Naivasha on 4 November 1970 Kiriamiti left Naivasha Maximum Security Prison in August 1984 just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s and 90s

### **Someone Else With My Fingerprints Introduction**

In today's digital age, the availability of Someone Else With My Fingerprints books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Someone Else With My Fingerprints books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Someone Else With My Fingerprints books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Someone Else With My Fingerprints versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Someone Else With My Fingerprints books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Someone Else With My Fingerprints books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Someone Else With My Fingerprints books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Someone Else With My Fingerprints books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Someone Else With My Fingerprints books and manuals for download and embark on your journey of knowledge?
