## Someones Watching:

*Someone's Watching* Judith Kelman, 1991 Five year old James Merritt lies in a hospital bed the sixth victim in a series of accidents plaguing a peaceful Connecticut community Maybe if he pretends to be asleep the shadow man will go away He sees the glint of the needle The pain does not alarm him In his wildest imagining he has never dreamed death would come in such a tiny innocent way Cinnie Merritt holds her son s limp and weightless hand trying to explain away the injuries that don t add up the strange medical reactions the nonsense words he keeps repeating the shattering sense of foreboding Something is wrong Something is very very wrong Please let my baby be all right Please let him wake up and be fine At night a stalking figure makes its silent way into the hospital room You belong to me now child of my salvation Wellspring of health and healing Sweet servant of the dark moon From the dark corner of a mother s world nightmare Someone s Watching **Man of Few Words** Fabian M.C. Kuykendall, 2010-08-17 *Man of Few Words* is my story It reads like a journal that chronicles my life It s a compilation of poems songs essays short stories and thoughts derived from experiences both direct and indirect fiction and nonfiction This book is my truth my autobiography words that are written on the pages of me The irony of the title is not to be lost on the reader though I m a man of few words I have so much to say I discovered a passion for poetry at the age of fourteen During this period I was going through a lot of changes in my life I had just moved with my grandma to what was a spiritually binding neighborhood and I was just beginning high school As I felt my childhood was over I quickly fell into a depression and subsequently dropped out of school I was confused and overwhelmed by emotions that I d never felt before Feeling the need to express myself I was fatefully inspired to write I began writing what I call albums of conceptual compositions collections of poems that would later become the chapters of my book While I didn t use my entire catalogue for this book I chose the compositions that I feel best represent my artistic vision These poems are listed in chronological order revealing my journey and evolution of words This book was inspired by my irrepressible need for creative expression I always thought that I d write a book somewhere down the line but that somewhere became here and that here became now It s amazing how your destiny has a way of claiming you before you realize your destiny I used to dream of being a music producer and I thought that because I dreamed it this was what I was supposed to be But my dreams were interrupted when my true calling chose me Writing became a passion of mine because it allowed me to fully and fearlessly represent myself Anything I want to be or say can be done with the boundlessness of artistic freedom I am free to be an artist as I paint images with words In many ways writing communicates a message more clearly and profoundly than spoken language When someone is reading your written word they are forced to listen and actually hear what you have to say I believe that the hardships I went through as a teenager was for this purpose to write these words that tell my story It might even seem like a gift from depression but I believe that my calling is a gift from God For this reason it is my obligation to share my gift I just might inspire someone else to write as they read my story and find the motivation to tell their own My goal through my words

is to be the impetus that provides people with a deeper respect for the craft What I hope to accomplish with this book is to have people gain a more profound understanding of me I believe that I have a lot to offer through my words for those who are interested and willing to listen To many people I m a man of few words because I don t often reveal myself through my personality or my existence What I want these and other people to know is that there s more to me I m not just one dimensional I m a host of imperfections and contradictions with a multifaceted depth I encourage you to learn me to read my words and not my silence

**A Common Person and Other Stories** R. M. Kinder,2021-02-01 These prizewinning stories champion the everyday person who tries to do his or her best in demanding and even demeaning situations The stories in A Common Person and Other Stories R M Kinder s third short story collection and the winner of the Richard Sullivan Prize in Short Fiction expose the disruption in our modern life and the ever present threat of violence and

most importantly they capture the real heroism of everyday people The characters in these stories most set deep in the middle of America seem to invite trouble through their concern for others a neighbor's mistreated dog a boy standing up to a bully a woman who faces cancer and the loss of love Kinder's characters struggle with conflicts common to us all to treat humans and animals with compassion to open minds and hearts to diversity all while balancing the welfare of the individual and the larger community The characters aren't always loveable but they have their moments of grace they accept responsibility and take stands These stories by turns humorous unsettling and utterly believable expose the dangers of ordinary life as their characters perform acts of defiance determination and connection The memorable characters in *A Common Person and Other Stories* are like us doing the best they can and that is often remarkable and admirable Considered closely Kinder shows us no person is common

**The Witness** Deborah A. Hodge, 2011 Sarah is grown up and on her way to college full of expectations of a life serving God and being a witness for His word Challenges abound for her college life in the United States pending romance and danger Sarah is wooed by Jason and Andy and threatened by a mysterious stranger Through it all she turns to her faith and her family With prayer and love Sarah learns to be *The Witness*

**A Gentleman of Means: A steampunk adventure novel featuring smart, brave inventors** Shelley Adina, 2019-12-21 How much must one sacrifice for the sake of friendship Lady Claire Trevelyan has had to deal with betrayal before but none is quite so painful as the belief that Gloria Meriwether Astor deserted her and her friends and left them to die under the waters of Venice But when she learns that Gloria has vanished can she do the right thing and attempt to find the missing heiress Of course she must But this does not sit well with the gentlemen in her life who had every reason to believe she planned to settle down at last Suddenly Claire finds herself without a career a fiancé or the confidence in her own abilities that has carried her this far Worse Captain Ian Hollys is suffering from the megrims and cannot seem to recover from his dreadful experience as a prisoner Alice's dream of captaining her own ship in England is scuttled Tigg is struggling with a revelation that has turned his life upside down and may result in a betrayal more harrowing than any the flock has yet seen Will the bond of friendship that has brought Claire and the flock together be the very thing that separates them for good Or will love tip the balance and prove that what really defines a gentleman of means is none other than a lady of resources I have to repeat how excellent this series is with the female characters Not just because they're good and capable and interesting but because they're also different Fangs for the Fantasy on *A Gentleman of Means* *A Gentleman of Means* is the eighth novel in the *Magnificent Devices* steampunk cozy fantasy series No strong language just a very proper kiss or two and a satisfying solution If you like books by Gail Carriger Lindsay Buroker or Emma Jane Holloway you're in the right place Enjoy

*The Wheel of Ideals* David Bishop, 2006-08-01 *The Wheel of Ideals* shows three families of ideals the heroic civic and altruistic that sometimes work together and sometimes conflict Every ideal has its true believers and unbelievers some people believe in it strongly others less strongly and others not at all or so they claim As ideals divide people also divide We can't all get along perfectly all the

time even with ourselves Why not Do we need conflict to make progress Is perfect peace too peaceful As ideals can be ignored or betrayed they can also be carried too far into decadence dionysian overheating and the apollonian deep freeze If you carried an ideal too far how would you come to realize your mistake How would you feel the gravity the balancing pull of the ideal calling you home Without failure without going too far what is lost What is the good of all these ideals and these forms of decadence The Wheel of Ideals suggests that we will go on asking these questions Worlds Apart Carol A.
