Something's Watching Charles L. Grant, 2017-02-03 BEWARE OF MIDNIGHT PLACE At first it seems like an ordinary street in an ordinary neighborhood But kids sense there s something different about Midnight Place It s nothing tangible just an eerie sensation that won t go away Walk down the street a street like Midnight Place and all too soon the terror is real Fifteen year old Tara Fraiser is scared Lately it seems that everyone she is close to has been the victim of a mugging The victims never see their attacker but strangely enough they all remember the eerie tune he whistles What scares Tara even more is that she recognizes the tune her dad had mesmerized her as a child with tales of an evil whistling monster named Old Beithir Tara is afraid that she s next How can she protect herself from this evil creature , *What's Prayer Got to Do with It?* Beth Armstrong, 2008-11 Fragments of Wonder Hans R. Devos, 2018-11-22 The world is endlessly fascinating These works offer a commentary on the ironies twists humour and despair but more importantly on the sheer wonder of living They are about artists religion other poets the aging process about nature and our place within it And that place is every place These observations use language to deepen understanding of the self and our interactions with our varied environments In this poetry parallels all the arts in bringing enjoyment and purpose to life These poems should be read with the book in one hand and a glass of wine in the other These poems are borne out of an insatiable curiosity about everything They give shape to one person s encounters with people books landscapes music science and so on Although there are references to the darkest emotions this book is a celebration Everything enriches experience The intention is to reveal the extraordinary within the ordinary and occasionally to amuse the reader as well Each poem may only be a fragment a piece of the continuing activities of the fullness of living but they add up to reveal a mirror in which all of us are reflected and become more complete These poems not only sharpen the surface of reality but deepen the inner life that supports it as well

has not ended it has only just begun The Game of the Shadowed Crown has begun anew The storm sleeps but it dreams with open eyes And those who dream beneath it are not untouched So turn the page traveler The storm sleeps for now but the dream oh the dream is wide awake So stay your breath dear reader I have a story for you A thread lost to the world but not to me I think I know where Kaiven drifts and if you have the courage I ll take you there to the place between the last sigh and the first dawn Wait with me for the hour when even dreams dare not speak his name And remember Some tales are not told They are remembered And Kaiven s is one the world tried to forget But you dreamer You were meant to find it **Tolstoy's Major Fiction** Edward Wasiolek, 1978 Edward Wasiolek after much valuable work on Dostoevsky has now written one of the best books on Tolstoy in recent decades This may be in part because of his preoccupation with Tolstoy s most challenging contemporary and the resulting sense of their unlikeness in a common pursuit But there are other unspeculative reasons Few studies of Tolstoy have been so carefully pondered and so firmly organized to convince and not so many show the flexibility and variety of its approach Wasiolek proposes an essentially simple and consistent reading but he advances it with subtlety and discretion Henry Gifford Times Literary Supplement
