InterGenerate Holly Catterton Allen, 2018-07-10 Leaders in Christian communities are all asking the same question: How can we bring the generations back together? *InterGenerate* addresses important questions of why we should bring the generations back together but even more significantly, how we can bring generations back together. In this edited collection, ministers, church leaders, and Christian educators will find valuable new generational theory perspectives, fresh biblical and theological insights, and practical outcomes backed by current research. *InterGenerate* offers important guidance on topics including intergenerational spiritual disciplines, transitioning from multigenerational to intergenerational, new research that focuses directly on intergenerational ministry, and offers practical outcomes to implement and benefits of intergenerational ministry for the most marginalized generations. An exciting and distinctive aspect of *InterGenerate* is the vast diversity of voice, men and women ranging in age from millennials to baby boomers, representing multiple countries and over a dozen denominations, all seeking ways to become more intentionally intergenerational in their outlook and practice.

Most Evil Is Done by Good People Who Do Not Know That They Are Not Good Ferd L. Wagner, 2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God. Any so-called truth or right that circumvents or undercuts the required sacrifices, disciplines, and self-denial demanded by God in any given social or moral issue ceases to be truth, ceases to be right. The moment it becomes a force unto itself, outside of or independent of the Scripturally required obedience, human history has shown over the millennia that when the letter and spirit of God's laws are not obeyed, the truth is abused, nations become confused, and people are used. Many of our political and social issues are rooted in our misplaced belief that tolerance, inclusion, equal respect for unequal truth, and live and let live is the way to greater peace and prosperity. They are all wrong.

Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation s point of reference It is the Christian s duty to show that the valid rule of God s law the letter of God s law and the spirit of God s law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth **Designing Online Identities** Clay Andres,2002
