God's Triple Threat Greg Carlson, 2010-12 God is destroying the kingdom of darkness God equips and deploys us his saints in this magnificent campaign But the Almighty does not arm us from just a single arsenal of gifts as is commonly supposed Instead he draws from three distinct arsenals abilities leaders and the charismatic gifts The triune God gives triune gifts What are these gifts what are they like and how do they work These three arsenals differ profoundly from one another But the church has not truly discerned this and so a fog of confusion has enveloped the whole subject Confusion brings futility and frustration clarity brings effectiveness and fulfillment Who gives the gifts and to whom When are they given Are the gifts natural supernatural or both Can any Christian operate in any gift Where do the gifts live Can you use them at any time Can you operate in God's gifts at will The answers may surprise you God's Triple Threat An Inquiry into the Spiritual Gifts works carefully step by step to bring clarity to this often confusing subject with exuberant illustrations for application Author Greg Carlson prays that the vision in this book will become a reality in his lifetime So the clock is ticking for you and your church to more fully experience the dynamic of God's threefold gifts

Lines, 2018-04-12 How do missiologists describe the cosmologies of those that Christianity encounters around the world Our descriptions often end up filtered through our own Western religious categories Furthermore indigenous Christians adopt these Western religious categories This presents the problem of local Christianities described by Kwame Bediako as those that have not known how to relate to their traditional culture in terms other than those of denunciation or of separateness Kevin Lines s phenomenological study of local religious specialists in Turkana Kenya not only challenges our Western categories by revealing a more authentic complexity of the issues for local Christians and Western missionaries but also provides a model for continued use of phenomenology as a valued research method in larger missiological studies Additionally this study points to the ways that local Christians and traditional religious practitioners interpret Western missionaries through local religious categories Clearly missionaries missiologists anthropologists and religious studies scholars need to do a much more careful job of studying and describing the contextually specific phenomena of traditional religious specialists before relying on meta categories that come out of our Western theology or older overly simplified ethnographies The research from this current study of Turkana religious specialists begins that process in the Turkana context and offers a model for future studies in contexts where traditional religion and Christianity intersect **Healing in the Bible** Frederick J. ,1922 **The Beginning** Dr. Dino J. Pedrone,2019-05-10 A young man walks along a road leading to the Sea of Galilee Messiahs were plentiful in the first century In Judaism the idea of Messiah referred to a king appointed by the Almighty After the Hasmonean kingdom in the first century and the Roman Jewish wars in the first two centuries the idea of a Messiah expanded The Messiah was considered to be the individual who would deliver the Jewish people from the Roman Empire thus ushering in the golden age of Messiah Now here comes another A leader of a Jewish sect was crucified and there were those who claimed he rose from the grave It does sound a little preposterous Messiahs could fill volumes with their plans and heroics but the obvious questions are Where are they now Where are their followers A man who gathers twelve apparent misfits of society and leads them while he teaches heals delivers evil spirits and raises some from the dead is certainly unique Is he one of the many self proclaimed Messiahs or is he different The faith that this man founded today represents nearly one third of the world s population The Beginning details how this movement started From a small group called The Way to the conversion of a vitriolic Pharisee to meetings with well known political activists the story begins So snuggle up get a nice warm drink and follow The Beginning the early story of Christianity **Miracles : 2 Volumes** Craig S. Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports

depends on David Hume's argument that uniform human experience precluded miracles. Yet current research shows that human experience is far from uniform. In fact, hundreds of millions of people today claim to have experienced miracles. New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us. This wide-ranging and meticulously researched two-volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts. Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic, Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports. **Great Is**

Thy Faithfulness Our Daily Bread Ministries, Dave Branon, Bill Crowder, Anne Cetas, David McCasland, Julie Ackerman Link, Marvin Williams, Joseph M. Stowell, Mart DeHaan, 2018-06-29 Great Is Thy Faithfulness is the theme that runs throughout this collection of Our Daily Bread meditations. Each was selected to remind you that God is with you in all circumstances and in Him you will find strength for today and bright hope for tomorrow. Just as the Scripture-based hymn highlights God's steadfastness, these meditations encourage you to trust and thank God through all seasons of life. *Just a Taste of Heaven* David Petts, 2018-12-06 In this easily readable book, Dr. David Petts shows clearly why we should expect miracles of healing today. He looks at most of the healing miracles in the Bible and draws important lessons from them. He offers a balanced theology of healing that seeks to promote faith for healing without causing discouragement to those who are not healed. Using illustrations from his own experience, he gives wise advice on how healing should be practised both in evangelism and in pastoral ministry today. *Up and Alive* Cathy Madavan, Mark Madavan, 2024-03-28 If there's one thing we all need today, it is hope. Up and Alive: Living The Life We Are Made For is a reminder for all of us who call ourselves followers of Jesus, whoever and wherever we are, to be who we are truly called to be in the light of hope and to reflect the glory of God to the world around us. Digging into the six chapters of Paul's letter to the Ephesians, Cathy and Mark Madavan recapture a vision of who we really are in Christ: defined, redeemed, called, and empowered by God to live for his glory in hope and unearthing plenty of wisdom and insight along the way to equip us to live out our faith and consistently stand firm in an increasingly secular society. Join the Madavans and be inspired to find purpose and to grow in confidence, unity, and maturity together as a church, all underpinned by the assurance of who we are biblically speaking. We are part of God's unfolding plan, and we are commissioned to share his good news with others. Here's to being Up and Alive in Jesus. **Thru the Bible Vol.**

The Folly of Prayer Matt Woodley, 2010-02-04 Prayer can feel mysteriously difficult boringly perfunctory and frustratingly out of our control Often prayer brings us comfort but sometimes especially when there aren't easy resolutions or prayers go unanswered it intensifies and focuses our sense of longing pain and care And often God uses our times of darkness and desperation to awaken our hearts to the ache within us and the cries of those suffering around us Prayer is all about coming before God to face life head on with all its jagged edges of mystery joy longing and agony In fact says pastor Matt Woodley prayer is actually a real encounter with the untamable God and Father of our Lord Jesus Christ and therefore our experience of it should reflect the power mystery and even risk of entering into relationship with the Lord of the universe In this book Woodley strips away all the religious speak and presuppositions we have about prayer distilling it to the essence of wholehearted engagement with the living God Exploring an earthy unadorned jargon free approach to prayer Woodley unpacks a host of fresh synonyms for God encounters including prayer as desperation invocation mystery astonishment groaning and even absence These marginal ways of praying compel us to engage marginal people the desperate the groaning the victimized and the ignored As we pray God will open our eyes to the pain of the world around us With stories from his own experience and biblical and historical examples Woodley gives fresh language to describe a life grounded in prayer that leads to compassion and service
