mortal Selissa has no memories from before the priests at the temple of Issara found her battered and bruised outside their gates years ago All she has from her past life is a strange symbol on her back and frightening confusing dreams Her new life is thrown into disarray when the mysterious traveler Alassane arrives at the temple With him follows the horrors her lost memories have been hiding Selissa suddenly finds herself fighting for her life and comes to realize that no one is what they pretend to be Silent Sound Life is much simpler when myths are merely fairy tales Selissa hardly thought her life could get any weirder but the gods appeared to have developed a sadistic fondness for proving her wrong A request for her help with solving a series of mysterious attacks at a temple seemed fairly simple But everything suddenly becomes far more complicated once Selissa is told who she needs to protect from the unknown assailant Because the target just happens to be the son of the archangel Arnath Quiet Whisper The victims will be many as long as war is part of human nature A chance meeting with someone from her past causes Selissa to once again find herself in the middle of someone else's fight This time her unusual task involves neither angels nor demons but leads her into the heart of Verdohna where a war is raging between the military and the Rebellion And while she is far from home Selissa is offered new allies The only thing she has to do is to rescue a man from the executioner's axe Right in the middle of the most heavily guarded stronghold in Verdohna Omer Karyn Kedar,2014-03-10 The counting of the Omer begins with the escape from enslavement to the wandering path of freedom leading to a mystical encounter with God Sinai and Torah This volume beginning with its informative contextual introduction provides a spiritual guide for a personal journey through the Omer toward meaningful and purposeful living Beautiful and evocative readings for each day matched with the daily Omer blessing offer a transformative path from Passover to Shavuot *Pieces of Me* Kristy Lautner, Angels Help Us Jean Porche,Deborah Vaughan,2002-09-16 This lively overview explores historical and scriptural accounts as well as angel traditions from around the world **Unholy Ghost** James Green,2017-07-17 Fixer for the Vatican Jimmy Costello always liked Paris but never got the chance to spend much time there Now his boss in Rome wants him to go back It's a simple job find the missing owner of a piece of valuable property But Jimmy's not the only one looking What is he looking for and who else wants it so badly No one seems to have the answers This time Jimmy is on his own Labrador Kathryn Davis,2019-03-05 Back in print Kathryn Davis's riveting debut about the indelible pacts and hidden hatreds of sisterhood Labrador is the story of two unforgettable sisters Willie the eldest is willful beautiful and wayward to Kitty the youngest she is the radiant center around which everything revolves Kitty too is willful but in the brooding manner of the inveterate loner She is the one who is visited by an angel Rogni who reshapes her beliefs by telling her eerie enigmatic fables that defy time and place parables about bears martyrs and imprisoned daughters that seem to contain warnings about betrayals and violence to come In the pared down landscape of the far north where the girls grandfather has his home Kitty escapes the orbit of her sister and begins to come to terms with the demons and the enchantments that have been her birthright from the start In Labrador Davis's first novel one finds the hallmark

lyricism and startling narrative swerves the layered atmospherics the fierce intelligence and wit and above all the wild and transformative qualities of her imagination that have defined her work ever since **The Mammoth Book of Angels & Demons** Paula Guran,2013-05-16 Despite our tendency to think of the demonic as evil and the angelic as good our own legends don't always bear this out Angels can be the incarnation of light and salvation but they can also fall Satan himself is a fallen angel Demons can be truly demonic but these unearthly creatures can also on occasion lend humankind a hand Temptation can lead to revelation supernatural messengers who bring true justice may not be welcomed and beings seeking redemption can be blind to mortal needs Stories from world renowned authors of science fiction and fantasy including Neil Gaiman George R R Martin and Joyce Carol Oates and rising stars portray angels in all their glory demons at their most dreadful and a surprising variety of modern interpretations of ancient myth **The Word and Works of God** John Gill,1859
