

An aerial photograph of a city, likely New York City, taken from a high vantage point. The image is dimly lit, with a warm, orange glow from the setting or rising sun in the upper left corner. The city's grid pattern is visible, with numerous buildings and streets. A prominent highway interchange is visible in the lower left. Overlaid on the center of the image is a white text quote.

You can't put your life on hold for somebody else, you know? Sometimes you just have to do what you have to do to make yourself happy. And if you're not, like, solid with yourself, how can you help somebody else?
