

Stunning and beautiful not a flower nor a tree,
More breathtaking than those and only I can see,
My heart beats your name right down to the core,
Filling me with such joy and so much more,
Your eyes so amazing, I just can't look away,
They're gorgeous and shining throughout all the day,
Here in my arms is where you belong,
Our two hearts beating to the same song.

Sometimes Something Special Poetry With Heart Soul Poetry That Works:

Poetry's Heart to Heal the Soul Lisa K. Maier, 2007-10-18 Poetry's heart to heal the soul is based on some very touching inspirational things I have gone through in my life With god as a guide and a light I've been through many things and everything I've gone through I put it into love I call poetry it's about good times and bad but always a meaning to explain life at that particular moment in time It is a passion I have for life and the miracle it stands to be that I put into words I see life kind of like music and a dream and the power to create our own fate A lot of it is gratitude for where I stand and my love to serve in this world my wishes to help Some of this literature is on religion some on limitless love emotions I call a dimension on so many levels and outlooks I guess that's why it's poetry When I write it's like my mind is filled with words and an understanding that I put to words in hope to interest or love in some way I hope it is like a piece to a puzzle in some way or justice or helps someone to see life differently in a good way Sometimes, Something Special Howard L.
