Somewhere Between Life And Death:

Somewhere Between Life and Death Lurlene McDaniel, 2010-10-27 The celebration isn't supposed to end in tragedy. The night of their high school drama group's cast party starts out as fun for sisters Amy and Erin. Their lives come crashing down when Amy takes the car to get more food and has a horrible accident. Erin and her family pray for Amy to awaken from her coma. But as the monitor beeps and the respirator hisses, Amy lies somewhere between life and death. Erin and her parents must find the courage to accept the fact that Amy's life support system will never bring her back. When she dies, can the family give some meaning to her senseless death? Can Amy's dying become the hope for someone else's living? **Between**

Life and Death David Pyle, 2014-10-05 It is the summer of 1977 on the cusp of a technological revolution that will soon cause the world to shrink. Seventeen-year-old James Earl Williams arrived in Natchez, Mississippi, looking forward to a new beginning far from the world of his New Jersey childhood. After years of life in gang-riddled neighborhoods and fast-paced crime life, he has come to a virtual standstill. But all is not as quiet as it first seems. Supernatural forces are beckoning to James, searching for a treasure hidden deep inside him. The changes he expected when he arrived are far different from the transformations about to overtake him and his family. His first surprise comes in the form of an annoying nightly sound one that his grandparents dismiss as the natural decline of their aging homestead. The second surprise fits inside a pair of tight blue jeans: bright blue eyes and long wavy black hair. Jolie Lefleur, Dimanche. And she has had a dream impossible to ignore one which lures her into a torrid relationship with James Earl. Tormented by the past and present, love and hope will entice James Earl Williams into a dark place where dreams and premonitions come alive. One wrong decision could easily take him to a place of no return. **Primordial Landscapes, Incorruptible Bodies** Dag Øistein Endsjø, 2008 As the first

monk in the desert, Antony became an early Christian superstar, eclipsing his many ascetic predecessors. The introduction of asceticism into the wilderness also represented an encounter between Christian and Hellenistic ideas. For centuries, Greeks had considered the uncultivated geography intrinsically primordial, a chaotic place where man struggled to remain human. The wilderness represented an eternal ordeal where man always faced fierce beasts, disorder, and death, but also where simultaneously he could attain boundless wealth, wisdom, and even physical immortality. Through Athanasius of Alexandria's fourth-century biography of Antony, we learn how the Christian appropriation of Greek ideas on geography, bodies, and immortality raised asceticism to an entirely new level. Placed in his uncultivated landscape, Antony became a true martyr, an athlete of God, and a holy man able to retrieve the bodily incorruptibility lost in the Fall, which all Christians could look forward to at the end of times. In this way, Athanasius employed a traditional Greek worldview to demonstrate the superiority of Christianity over Paganism, which never promised ordinary people anything but an eternal existence as dead and disembodied souls. **The Life and Death of Peter Sellers** Roger Lewis, 1997 Traces the life and career of the British

actor, discusses his major roles, and depicts his complex and often difficult personality. *Serious Pressure: Standing*

spinning I am dizzy lost in my nightmare world I can't stop my head spinning I am lost in the nightmare waltz **A Life Worth Dying For** Jim Mandelin with Rock and Don Diesvelt, Alison Diesvelt, 2012-09 A Life Worth Dying For The Jim Mandelin Story by Jim Mandelin with Don Rock and Alison Diesvelt is the true story of a man who endured a childhood strewn with daily incidents of sexual physical and emotional abuse at home and constant bullying at school who survived years as a youth on the streets succumbing to the predations of pedophiles and to addiction who did multiple stints in prison and was eventually recruited by a biker gang in prison for work as a debt collector on the outside who eventually became a physical wreck because of addiction facing cardiac arrest at twenty two and a near death experience that changed his life forever A Life Worth Dying For is woven with fleeting moments of kindness by relative strangers which ultimately fused Jim with the will to live This is a story written to raise awareness of the effects of childhood abuse and neglect bullying and discrimination and how these circumstances so often create conditioning for criminality and gang membership It is a real life testament intended to deepen your understanding of what it is to be human and of the power of kindness to affect critical change in our world Knowing Life Brianne Donaldson, 2025-02-28 Knowing Life examines the limits of dominant knowledge forms that contribute to current practices negatively affecting more than human beings while also exploring alternative approaches to knowing that are capable of reducing harm and maximizing planetary thriving Specifically this volume seeks multispecies answers to long standing questions in Western philosophy Who or what counts as a knower What kinds of knowing are valid Is knowledge a product of mind body or something else Historically these epistemic questions have been answered in ways that neutralize the knowing and knowledge contribution of and for more than human beings as well as those on the margins of society considered less than human Consequently these epistemic assumptions often support the destruction of ecological habitats industrialization of food animals widespread use of insect and plant toxins water and air pollution climate extinctions ecological militarism and the perpetual flow of living beings used for entertainment research clothing companionship and economic resources In this book crosscultural and multidisciplinary contributors including lesser known global religious philosophical accounts philosophies of plant and insect life race and disability studies laboratory epistemology embodied semiotics and scholar artists challenge and expand these classical concepts through diverse modes of embodied engagement on multispecies knowing toward open futures of planetary co flourishing Postcards from the Trenches Allyson Booth, 1996-11-07 The unprecedented magnitude of death during World War I forever altered how people perceived their world and how they represented those perceptions In Postcards from the Trenches Allyson Booth traces the complex relationship between British Great War culture and modernist writings She shows that through the experience of the Great War both civilian and combatant modernist writers found that language could no longer represent experience She goes on to identify and contextualize several of the resulting modernist tropes she links the dissolving modernist self to soldiers familiarity with corpses the modernist mistrust of factuality to the apparent inaccessibility of facts regarding the

rape of Belgium and the modernist interest in multiple viewpoints to the singularity of perspective with which generals studied battlefield maps Though her emphasis is on literary works by Robert Graves E M Forster and Vera Brittain among others Booth s analysis extends to memorials posters and architecture of the Great War This interdisciplinary quality of Booth s study results in a much deeper understanding of how the Great War affected cultural representations and how that culture represented the War

Human Rights and the Reinvention of Freedom Nick Stevenson,2016-10-04 This volume seeks to propose a reinvention of freedom under contemporary conditions of globalization cross border mobility and neo liberal dominance There are currently two predominant myths circulating about freedom The first is that in a global age growing numbers of citizens are less concerned with freedom than they are with security Secondly there is the presumption that freedom only refers to market freedom and consumerism implying that the ideas of choice and consumption are interchangeable with ideas of freedom Stevenson argues that while these arguments are significant they are deeply misleading More authentic ideas of freedom such as self realisation participating in politics and seeking a meaningful life of self reflection have not been entirely displaced but have instead become reinvented in our global times The cries of freedom can still be heard in a multitude of places from the Arab Spring to the Occupy Movement and from the protests against European austerity to the current popularity of human rights Stevenson also argues that the idea of freedom has become increasingly mobile in our interconnected and transnational society The spaces and places of civil society are more complex in this global age pushing ideas of freedom far beyond the usual arena of national politics This volume brings together a diverse range of cultural interpretations in respect of freedom related to the idea of the commons cosmopolitanism contemporary documentary cinema and the history of jazz music Exploring the ways in which notions of freedom are being re made within the context of the present and looking more precisely at the current threats to freedom it will be of interest to students and scholars of globalization human rights and cultural sociology

Unbearable Life Arthur Bradley,2019-10-15 In ancient Rome any citizen who had brought disgrace upon the state could be subject to a judgment believed to be worse than death damnatio memoriae condemnation of memory The Senate would decree that every trace of the citizen s existence be removed from the city as if they had never existed in the first place Once reserved for individuals damnatio memoriae in different forms now extends to social classes racial and ethnic groups and even entire peoples In modern times the condemned go by different names enemies of the people the missing the disappeared ghost detainees in black sites but they are subject to the same fate of political erasure Arthur Bradley explores the power to render life un-lived from ancient Rome through the War on Terror He argues that sovereignty is the power to decide what counts as being alive and what does not to make life unbearable unrecognized as having lived or died In readings of Augustine Shakespeare Hobbes Robespierre Schmitt and Benjamin Bradley asks What is the life of this unbearable life How does it change and endure across sovereign time and space from empires to republics from kings to presidents To what extent can it be resisted or lived otherwise A
