*Somewhere Between Heaven and Earth* Deborah Perrone, 2016-12-27 Romans 8 28 And we know that all things work together for good to them that love God to them who are the called according to his purpose In the middle of a treacherous storm David Preston determined on arriving home in time to witness the birth of his seventh child rescues a young woman Jessie who is injured on the side of the road Being a good Samaritan he takes her home with him He being the seventh son of a seventh son in his family line he expected another son However to his familys surprise and delight this birth delivered a set of twins a boy and a girl The boy is named Jonathon Baron Biblical for the dove or peacemaker and the girl is named Amanda Caron Biblical for worthy of love and both prove to be gifts of God The sons of the Preston clan each play a significant character role in their relationship to Jessie and the twins The six older brothers are oldest to youngest Jarred the healer Adam the teacher Brendan the strength Damon the protector Hank the challenged and Jason the wild spirit The young woman is taken into the bosom of his family due to her injuries and apparent amnesia at the time of her rescue As they get to know her she becomes familiar First she assists Sarah with the care of the infants however her frustration of her amnesia sends her to another reality where her purpose becomes clear She guides the twins on their spiritual journey from the baptism in the waters through life choices of good versus evil and the ultimate heart wrenching pain of love and loss and obedience to God In this novel God is represented as a great white lion magnificent and glorified adorned in a beautiful pure white light In this first book he is portrayed from a childs innocent viewpoint where God is a loving father and nurturer Bo Donovan the antagonist is portrayed as Lucifer being cast out from heaven in a hail of meteors This once innocent town is now plagued by this wealthy socialite His family left this town centuries before but with the twins chosen by God Mr Donovan must return to even his playing field He attempts to alter the Preston familys reputation and have the twins falter down from a good path to evil sin Jessie sees him for who he really is and tries desperately to open the eyes of the Prestons but his charm and charisma makes her seem like its a personal attack on him The town church leader Pastor John holds the secret which only he and Jessie know about the origins of the town and its inhabitants which neither must reveal at this time Bo Donovan has two daughters and a granddaughter living with him Mary is attracted to Damon and pursues him Damon has fallen in love with Jessie but this forbidden love must not be and Jessie must turn down his advances His love for her is too strong and although she loves him like a brother she is not in love with him This gives Bo an opportunity to further compromise Jessie and her relationship with the Prestons Bo also has a nephew DJ Kildaine who works on the Preston Ranch at Roseland Manor He becomes an informant to him regarding the events at the ranch Although somewhat of a chauvinist at times he is basically harmless and a bit dimwitted until Bo asks him to perform the ultimate act of murder Will he do it Or will he take on the wrath of Bo Donovan The plot thickens until the final climatic decision the decision that only Jessie can make But will she be able to live with herself And will the familys love for her turn to hate In the end someone will die The

true identity of Jessie will be revealed as the twins grow from babies to children on their way to young adulthood

C. Johnson, Sr.,2006-10 Johnson takes the reader back to the very beginning in the garden with Adam and Eve and explores the concept that God has always had a master plan and how God has protected both the good and evil seeds until this day for the fulfillment of His purpose Biblical Studies     The Four Horses of the Apocalypse Benjamin Dock Jr.,2022-08-01 The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound The scriptures pertaining to the first three and a half years of seven week years of Daniel is so full of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand Consequently the same vision of John's revelation are written plainly and simple rolling up all of Daniel's entities into two basic ones One is the appearance of the beast out of the sea having seven heads and ten horns are both the Antichrist and beast Secondly the beast out of the land is the false prophet sent for the destruction of Israel The scarlet woman is Jerusalem or Babylon That is pretty much it made simple so any one reading should comprehend the book Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book As well those who miss the catching away of the bride of Christ will need the information written in God's word Not much mention of this by modern ministers You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul Not only do you have to refrain from the 666 mark and the worship of the beast you must also obey the everlasting gospel Jesus teaches in Mathew 25 3146 Evidently with so many failures of souls saved during the first half God sends an angel close to the first half ending of tribulation to announce the everlasting gospel Many people have hoarded food and other supplies but are only concerned

with themselves It must have been that many people were unaware of this sheep and goat judgment in force Those who will not share with folks in need are goats and will be cast out of the kingdom You survived the 666 mark and the beast worship but failed to share God help you Living in the Shadow of Reality Dr. Silas Gaines,2022-12-18 Westerners often make the mistake of discounting the spiritual aspects of life as not real imaginary a mere reflection of what is experienced in the real world by which they usually mean the physical world that we experience with our five senses Many claim that the concept of angels and demons are creations of our imagination that God or the gods of other religions are mere projections that we create for ourselves The argument goes like this Humans look at physical reality and then create imagine a shadow world the spirit world based upon our experience of real life But what if the opposite is true What if what we are experiencing with our five senses is really just a reflection in a pond What if the real begins with the spiritual and then is reflected into the physical If this hypothesis is true if indeed what we see happening around us in the physical world begins in the spiritual world and is only later manifested where we can perceive it with our five senses then that has profound implications for us in a practical sense If true this would mean that individual crimes acts of evil and aggression and perhaps even larger events armed conflicts terrorist strikes or man made catastrophes that occur in our physical world might be avoided altogether if we can stop them at the spiritual level Likewise what if good might blossom in our physical world as a result of intervention at the spiritual level It certainly seems that we have evidence for both in human experience and in the scriptures Join Dr Silas Gaines as he walks his readers through a scriptural historical and personal journey to identify spiritual laws and principles that govern our current reality Gaines aids us in highlighting spiritual laws woven into the Created Order of which we are often dangerously ignorant and which often hold the keys to humanity flourishing in God s plans and purposes Gaines invites us to join in a journey that will open our eyes to new realities around us and empower us to walk into our God given destinies impacting people and the world around us as we were born to do Who We Are Joseph Knecht,2020-08-23 Who are We What is our Purpose This book contains more than 20 short stories that reveal the answers to these questions Short Stories about humans and angels reveal our true nature Stories made us Who We Are Stories tell us Who We Are The Public ,1919 **Metanoia Mon Amour** Nicolás Gadda Thompson,2024-06-28 Today more than ever we need to regain a certain clarity to re integrate knowledge to converge in ideas to return to Oneness Sacred geometry and introspective psychonautics are lost arts that we must recover Regenerative development and systemic thinking are new approaches that we must incorporate Thinking Reality as networks that connect nodes and not as isolated elements in linear sequence is the most concrete basic proposal that the reading of this book offers us Acting generatively as a consequence will be one of the most demanding and relevant challenges of our present time It is on this basis that the following proposal is developed to recover lost knowledge to incorporate it into our mental frameworks and to integrate it with the exercise of modern science and the advent of new technologies It is time to recognize the symbolic and at the same time pragmatic capital that we inherited from

our ancestors and it is also time to celebrate the talent and vocation of those who today are leading disruptive development in all fields of knowledge This proposal is not just an exercise in historical or social vindication nor an ode to novelty for the sake of novelty but rather promotes the key guidelines for the design of a roadmap that will allow us to identify and apply the right solutions to the multiple challenges facing our overwhelmed humanity today This book is intended for freethinkers of all ages of all colors and from all corners of the globe it is a wake up call that comes from deep within but it is also a call to action that aims at the most universal

*History of Paradise* Jean Delumeau,2000 Explores the conviction that paradise existed in a precise although unreachable earthly location Delving into the writings of dozens of medieval and Renaissance thinkers from Augustine to Dante this title presents a study of the meaning of Original Sin and the human yearning for paradise
