Illustrated Family Bible Being the Old and New Testaments According to the Authorised Version ,1865      *Finding the Way to 'Long Day's Journey Into Night'* William Davies King,2024-09-03 Eugene O'Neill wrote his most enduring and important plays after he won international acclaim as the first and only American playwright to receive the Nobel Prize in Literature in 1936 In the midst of the Great Depression with his health failing and spirits sunk he and his third wife former actress Carlotta Monterey moved to California to escape the materialism and commercialism of a declining West and they built a new home called Tao House A reasonably good translation of tao is the way and in this house which was largely the creation of Carlotta he found the way to his most famous play Long Day's Journey Into Night As an unusually explicit autobiographical drama this play returns to 1912 the outset of O'Neill's writing career when he confronted tragedy in his family story and found a way to dramatize his mother father brother and himself in a way that has resonated with audiences since its publication and production in 1956 But this book argues that the play originates as much in the moment of its creation 1939 1941 in the family relationships the historical circumstances and the fact that this work would represent a moment of closure of his great career Key to this heroic story of creation is the intervention of his wife Carlotta whose diaries enable a day to day observation of how the play was written She was the driving force behind the design of Tao House and she managed the rhythms and patterns of life within its architecture It was her masterpiece just as Long Day's Journey was his This book develops a close reading of their house and marriage and also uses many of O'Neill's previous plays to illuminate the breakthrough of Long Day's Journey This book is the most granular and at the same time the most far reaching inquiry into how this quintessential play was written and almost not written and how it came into the world      **NIV, The Maxwell Leadership Bible** Thomas Nelson,2014-10-14 John Maxwell is a nationally respected expert in leadership This Bible provides an in depth look at God's laws for leaders and leadership Now you can get The Maxwell Leadership Bible in the best selling New International Version Plus this 2nd edition includes new updates In this Bible Dr Maxwell explains what a godly leader is and how God is glorified when you accept the role you're called to It includes great articles and insights that will become an invaluable part of your leadership library You'll find 21 Irrefutable Laws of Leadership and 21 Indispensable Qualities of a Leader with lessons about Biblical characters who exemplified each Over 100 biographical profiles feature stories that share God's truth about leadership John C Maxwell a New York Times bestselling author coach and speaker has been called America's #1 leadership authority To date he has sold 25 million books In 2014 Maxwell received the Mother Teresa Prize for Global Peace and Leadership from the Luminary Leadership Network and was named the world's most influential leadership expert by Inc and Business Insider His organizations The John Maxwell Company The John Maxwell Team and EQUIP have trained more than 5 million leaders in 188 countries This edition includes new empowering inspiring tools to equip you to be an even better leader Complete NIV Bible text and translators notes Book introductions Articles describing the 21 Laws of Leadership and the 21 Qualities of a Leader Notes throughout the Bible that connect with the Laws
