Wilcox,2007-04-01 *Black Aces High* is the riveting account of a modern fighter squadron at war and the exploits triumphs

and traumas of its pilots The Black Aces their courage ferocity and instincts made them legendary in military aviation Flying F 14 Tomcats they played as much a part in recent US operations in Kosovo as did any air squadron in the theater air force or navy and probably more Because of its superior performance sophisticated equipment and the two man crews who took it upon themselves to do something extra the Tomcat and its aviators distinguished themselves over and over Forced to locate Serb fighters operating covertly in a mountainous land much like Afghanistan with almost no help from ground spotters VF 14 pilots and backseaters spearheaded new methods for the navy to pinpoint identify and destroy enemy troops and weapons These were tasks that fighter crews had seldom had to do before The Aces had to break rules and frequently go in harms way in order to be successful And they performed so well that for the first time in aviation history a fighter squadron theirs was awarded The Wade McClusky Trophy the navy s premier bombing honor The award named for a World War II dive bomber pilot and post WorldWar II admiral had been won previously only by bombing squadrons Robert Wilcox spent two weeks with The Black Aces aboard the aircraft carrier USS Roosevelt and here provides a long awaited never before seen glimpse into the world of a modern navy fighter squadron Wilcox takes readers into the cockpits as the pilots go out and attack targets while avoiding anti aircraft weaponry He takes us into the war room as they plan their strikes and into their cabins as they contemplate the danger they are facing And the reader can t help but worry for these men as they head off into battle can t help sitting on the edge of the seat as they try to land at night in a rainstorm with waves crashing against the ship and can t help ducking with them as they dodge missile attacks And in the end it is impossible not to feel for these aviators as they question their own courage or to cheer for them when they finally return safely Black Aces High is a story of fear and courage mishap and success fighting spirit and military innovation It s a human story that goes behind the smiling sunglass wearing facade of aviators flashing a V the sterile slow motion target video that has become a staple of Pentagon briefings and the rock n roll cowboy image of fighter crews seen in the movies Instead it is a story that shows who these aviators really are and what they do beyond what we know a story which probably will be repeated again and again as our carriers continue to be deployed in the new 21 century war our nation is fighting Caprice George Bowering,2010-11-15 WITH A FOREWORD BY ARITHA VAN HERK It s the mid 1890s in Kamloops British Columbia Two men argue over a bottle of whisky and in the struggle Frank Spencer an American outlaw turned farmhand kills Pete Foster a French Canadian and fellow farmhand Enter Caprice a vision and a brain Almost six feet tall with flaming red hair and long legs and toting a lethal bullwhip she sets out to avenge her brother s murder Travelling with her beloved black Spanish stallion Caprice trails her brother s murderer to Mexico and back Determined and headstrong as she is smart she leaves an impression on the people she encounters in her journey Gert the whore with a heart of gold Gert s son for whom she provides affirmation and not the least Frank Smith her lover a teacher and amateur baseball player who wants her to leave the law enforcement to the professionals and marry him Caprice finally comes face to face with her brother s murderer at Deadman s Falls First

published in 1987 and based on actual events in BC's history Caprice is a witty adventurous and colourful recreation of a Canadian heroine's quest in avenging her brother's murder a woman well ahead of her times who refused to be pigeonholed into a stereotype who questioned authority and did so with unflinching resolve Caprice is a companion to Bowering's Burning Water and Shoot reissued by New Star in 2007 and 2008 Longarm 345 Tabor Evans,2007-07-31 The heat's on Longarm Tracking an outlaw to Greenwood Kansas U S Deputy Marshal Custis Long finds the local homesteaders are living in terror of the Hell Riders mounted marauders with strange costumes that seem to give them heads of flame Rancher Carlton Barstow is taking the heat for the raids but he blames the Hell Riders for rustling his cattle It's up to Longarm to send the Hell Riders to their namesake if he can escape the nets of a butterfly collector's sizzling sister *Wallaces' Farmer and Iowa Homestead* ,1950 Chester White Journal ,1983 **Grass Roots** Frances Stegall,2006-04 Self published collection of family stories photos and genealogy covering the first 91 years of Frances Gaddy Stegall's life in Texas
