Repentance Ed Marr,2004-08 This work is written with a law enforcement officer s investigative mindset and from the perspective of a prisoner I discovered through a survey of Christian bookstores that no books were exclusively on or about repentance but most only touched on the topic The only author who had anything to say about repentance beyond a mere mention was Charles G Finney in Finney s Systematic Theology This 600 page work transformed my thinking and influenced my investigation This book discusses spiritual leadership without bashing any spiritual leader It points out carnality without castigating any particular ministry or denomination Hundreds of illustrations will familiarize the reader with revelations about repentance and carnality These illustrations like parables contain revolutionary truths that are true to Scripture reason and life so that Repentance The Doctrine of God may become one harmonious revelation Warning As you read this book you will encounter deep seated carnality residing within the blackened depths of your soul and it will not want to be exposed But take heart Almighty God will accompany you on this journey for the complete regeneration of your soul
