Son Of Zelman:

Who's who in the Central States ,1929 A business professional and social record of men and women of schievement in the central states *Patriarch* David M. Bickman,2019-01-07 Shortly before his death Abe Bickman the Patriarch gave his son David his modest family archive This archive comprised an envelope postmarked in 1948 and with a return address in Brazil in which were contained several black several letters from relatives in the Ukraine written in Yiddish in the 1920s and a military passport issued by the Czarist Russian government in the very early 1900s The author had the letters and passport translated and then reconnected with relatives in Brazil He subsequently went to Brazil and met many of his cousins living there some of whom helped him to locate and eventually meet cousins from Ukraine Belarus Russia Israel and the United States Bickman s research into his father s family history also involved gathering information from public archives in Canada the United States and Ukraine where he found his earliest direct paternal ancestor bearing the family surname then Bikman Bickman discovered that much of his father s family s history is a microcosm of the history of Eastern European Jewry from 1774 to the present and in this process learned much more about himself than he ever anticipated Australian Patriography Stephen Mansfield,2014-11-01 The Son s Book of the Father as Richard Freadman termed it is a rich field of relational autobiography offering a unique set of tensions and insights into modes of masculinity notions of identity and the ethics of representing another s life in writing one s own This study of modern Australian life writing by sons who focus on fathers places an emerging sub genre within its literary ancestry and its contemporary milieu Providing compelling readings of Raimond Gaita s *Romulus* My Father Peter Rose s *Rose Boys* and many others this is the first study of its kind within Australian literature **A Return to Chelm** Arlene Blaier Burrows,2016-03-31 At the outbreak of World War II almost half of Chelms 36 000 residents were Jewish but only a few hundred survived the warvirtually wiping out a community that had lived for 700 years in southeastern Poland Eight of Arlene Blaier Burrows relatives somehow survived Seventy two members of her family however were killed in the Holocaust In *A Return to Chelm* she goes on a deeply personal journey to learn more about her Blayer and Groman relatives who lived and died In the process she forges a connection with all the Jews of Chelm She traces genealogy explores archives in Warsaw and elsewhere and sees the death camps where so many of Polands Jews were savagely murdered She uncovers a treasure trove of information about a lost community whose descendants continue to thrive decades after their intended annihilation While the authors elders told stories about Chelm as she was growing up they never dwelled on its dark past With the city seemingly lost to history she finds theres a lot worth remembering despite the citys history of persecution repression and poverty **The Jews in Poland and Russia** Antony Polonsky,2012-02-09 A comprehensive socio political economic and religious history an important story whose relevance extends beyond the Jewish world or the bounds of east central Europe Star Crossed Heather Dune Macadam,Simon Worrall,2023-08-22 For readers of *The Nightingale* by Kristin Hannah who are looking for an immersive true account of Nazi occupied Paris *Star Crossed* is

Mansfield, 2004 Hearing friends talk about their ancestors and genealogical research prompted the author to wonder about her ancestors and started her on a journey that may never end With the help of distant cousins contacted on the Internet it was soon apparent that James Gardner of Butler County Pennsylvania was her great great great grandfather But there the trail grew cold Where was he born and who were his parents Was he part of the William and Sarah Gardner family that moved from Maryland to the wild frontier of Westmoreland County Pennsylvania either before or during the Revolutionary War Most of the descendants of James and Martha Molly McAnallen Gardner married had children and brought many other surnames to the Gardner family tree Among those surnames are Ackerman Brinkley Cameron Cann Carson Dover Duffy Fehrenbach Grossman Harriger Hoge Johnson Mansfield Marmie McAnallen Mersheimer Ott Rohrer Shoaf Teal Welsh and Wimer With the help of more research and information from yet unknown cousins this family tree will continue to grow and spread its branches Perhaps we will even learn about the ancestors of James Gardner **The Ohio Educator**, 1999 **Portraits: 9/11/01** The New York Times, 2003-08 Presents portraits of the people whose lives were lost in the September 11 attack on the World Trade Center as published in The New York Times including four hundred additional portraits published since February 2002 *From Suwalki to St. Ignace* Alex E.
