Vass Jr.,James Vass Jr,2003-05-13 This book is a study of UW men s basketball fans during the 2001 2002 season and explores their proclivity to cheering for self during basketball events The term basketball event is used rather than basketball game to make clear that everything connected to and seen heard or experienced before during and after a basketball game is included The actual game itself is only part of the basketball event An undercurrent runs throughout this participant observation mini ethnography dealing with access and the relative quality of that access to basketball events being affected by ones age class race and gender The prominent role of advertising in shaping basketball events and helping to construct fans as consumers of products both commercial and institutional during the process of cheering for self is central to this idea Cheering for self is the activity engaged in by individual fans after they find things to identify or connect with through personal investment Fans cheer for self indirectly Fans cheer for the team that they identify with Through the process of cheering for self while attending the basketball event people are taught how to become fans to consume a UW product the basketball event and to consume advertisers products People have a tendency to spend their entire life trying to impress others **The Babylonian Talmud** Maurice; Trans Simon,1990 A Targumist Interprets the Torah: Contradictions and Coherence in Targum Pseudo-Jonathan Iosif J Zhakevich,2022-01-17 This book conducts a focused study of contradictions and coherence in Targum Pseudo Jonathan The first section of this study examines the apparent disruption of congruity with regard to the vertical dimension of the Targum that is between the Torah the Hebrew Vorlage and the Targum the Aramaic translation The second section addresses the apparent disruption of congruity with regard to the horizontal dimension of the Targum that is within the boundaries of the TgPsJ corpus Ultimately this work suggests that the contradictions are given to resolution once the greater context of biblical and Jewish tradition is taken into consideration **Hebrew-English Edition of the Babylonian Talmud: Kiddushin** ,1965 Hebrew-English Edition of the Babylonian Talmud: Index Isidore Epstein,1965 **Hebrew-English Edition of the Babylonian Talmud** ,1976 **Hebrew-English Edition of the Babylonian Talmud: Shabbath** ,1965 **Prophetic Precursors** Tom Wilson,2020-05-29 Prophetic Precursors discusses some key biblical figures Adam Noah Abraham Joseph Moses David Solomon Mary and Jesus Christian and Muslim views of these figures are contrasted and where relevant the question is asked whether these figures point us towards Jesus or towards Muhammad *The Resurrection in Retrospect* Peter Carnley,2020-01-01 In 2003 the British New Testament scholar N T Wright published *The Resurrection of the Son of God* arguing vigorously that the Resurrection of Christ should be handled purely as a historical event subjected to historical reason and critical historical research This book critically

examines Wright's arguments Peter Carnley demonstrates the flaws in the view that the Resurrection should be understood essentially as Jesus' return from the dead to this world of space and time in a material and physical body Carnley argues that the Resurrection of Christ is a mystery of God which must necessarily be appropriated not by reason alone but by faith Evidence relating to a past occurrence can be known only retrospectively Yet Easter faith has to do with apprehending in the present a concretely experienced reality which Saint Paul called the Spirit of life in Christ Jesus Rom 8:2 An epistemology of the identification of the Spirit in faith as the living presence of Christ will be found in the companion volume to this book **The Reconstruction of Resurrection Belief Hebrew-English Edition of the Babylonian Talmud: PesahDin**, 1971 **The Battle for the Keys** Justin Bass, 2014-04-07 There has been a lack of serious historical investigation of the famous creedal statement Christ descended into hell that was universally affirmed by the church for the first 1500 years of Church history This unique book is an in depth investigation of the history of the doctrine of Christ's descent and how Revelation 1:18 alludes to that significant doctrine The author demonstrates a real passion and a rigorous argument for Christ's triumphal descent into the underworld in order that he would fill all things Eph 4:10
