

# Candle At The Edge Of The World

There is a candle at the edge of the world  
that burns for all humanity.

In the daytime, it burns blue  
to colour our skies when we wake.

At night, it is covered with a shade  
and that is when darkness calls.

This candle at the edge of the world  
is a constant reminder to us all  
that if we venture too far too fast

we will eventually fall.

The candle burns within us  
to show us the way each day  
and if it ever fails

that is when our darkness calls.

It burns through our torment and strife,  
our loves, happiness and failures too.

That candle at the edge of the world  
is simply me and you.
