Solomon's George Winslow 1841-1917 Pierce,2025-05-22 The Song of Songs Which Is Solomon s also known as the Song of
Solomon stands as one of the most lyrical and evocative books of the Old Testament This ancient text attributed to King
Solomon is a collection of love poems rich in imagery and sensual language celebrating the beauty of human love and desire
Its verses paint vivid pictures of courtship romance and marital bliss depicting the intense emotions between a man and a
woman Beyond its literal interpretation the Song of Songs has been the subject of extensive theological and allegorical
interpretation often seen as a metaphor for the love between God and Israel or between Christ and the Church Regardless of
interpretation its enduring appeal lies in its timeless portrayal of love making it a treasured work of both religious and
secular literature This edition offers readers a chance to engage with the poetic beauty and profound themes of this biblical
masterpiece This work has been selected by scholars as being culturally important and is part of the knowledge base of
civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as

of Songs Richard Alfred Norris (Jr.),Jr. Norris, Richard A.,2003-11-18 The Song of Songs traditionally attributed to Solomon
is a collection of lyrics that celebrate in earthly terms the love of a bridegroom and a bride Throughout the course of early
Christian history the Song of Songs was widely read as an allegory of the love of Christ both for the church and for its
individual members In reading the Song this way Christians were following in the steps of Jewish exegetes who saw the Song
as celebrating the love of God for Israel In The Song of Songs the inaugural volume of The Church s Bible Richard A Norris Jr
uses commentaries and sermons from the church s first millennium to illustrate the original Christian understanding of
Solomon s beautiful poem In recent times the Song of Songs has been more a focus of literary than of religious interest but
Norris s work shows that for early Christians this text was counted with the Psalms and the Gospels among those Scriptures
that touched most deeply on the believer s relation to God All in all Norris s Song of Songs is a masterful work that aptly

acquaints contemporary readers with the church's traditional way of discerning in this text a guide to the character of Christian belief and life. This volume and the entire Church's Bible series will be welcomed by preachers, teachers, students, and general readers alike.

Solomon's Song of Love Craig Glickman, 2004

One of the most beautiful and mysterious books of the Bible is laid open for all to understand in this unparalleled work by Dr. Craig Glickman. With apparent ease, Glickman unveils the mysteries of the Song of Solomon in a popular read format. But the surface simplicity is backed up by a lifetime of study and scholarship: three special appendices and interpretive notes that validate his interpretation. Also included is a fresh translation of the Song published in this book for the first time. Initial readers of this book offer resounding praise. This book is the most fascinating book I have ever read about the Song, says Dr. Henry Cloud. Old Testament scholars praise it as an academic breakthrough: clear, cogent, and convincing, says Dr. Eugene Merrill, a valuable contribution to our translation and understanding of the Song, says Ed Blum, general editor of the HCSB translation. Dr. Paul Meier sums it up in these words: Craig weaves thousands of years of wisdom together to paint a vivid word picture of emotional and sexual intimacy.

The Song of Songs Which Is Solomon's (Classic Reprint) George Winslow Pierce, 2017-10-26

Excerpt from *The Song of Songs Which Is Solomon's*: There are people he knows mostly gentle who appear to regard the relation of the sexes as improper. Nevertheless, we owe a great deal to them, including ourselves, and could not well do without any more than they owe us, which would all dry up and blow away and leave no growth and no beauty anywhere on the face of the earth. The Ancient Egyptians were not of this cult but were lovers, and in their loves seem to have subserved the purpose of Nature, and by that subservience to have bequeathed a speech among themselves which a boy tells me to day: that love is one of the great human impulses, a form of worship which is the greatest fear, being the other form reverence; their union awe, the same fear predominating devotion, love predominating jealousy, love and hate, horror, fear, and the hate predominating making sick, terror, fear predominating making us mad, wrath, the reaction forms our sense of right when we are in rage, the same when we are wrong. Calves, immature, doting, senile, heat, natural lust, exaggerated prurience, repressed concupiscence, general infatuation, particular prudery, dis-coquetry, simulated, etc. self-projecting, exhaustive Passions, all of which pretty much your informant has suffered. Write down love if a form of worship perfectly and naturally depicted herein. The taste, the fashion, the fad, the fancy of it may be changing, but the thing itself will continue to be when we no longer cast the shadow of our opinion, valueless perhaps to other times and places as that of other times to us in Boston, upon above, around, and over to conceal how vainly. The Song of Songs of Solomon Jeanne Marie Bouvier de La Motte Guyon,1865

Gender in Solomon's Song of Songs Alastair Ian Haines,2016-12-14 The thesis shows that the Song of Songs can be read as a circular sequence of sub poems that follow logically from one another if they are understood as contributing to two main points made in a woman s voice The woman urges men to take romantic initiative to be committed exclusively and for life and urges women three times to wait until they are approached by such men If this reading is the best explanation of the text of the Song then the Song is a unified work centered on a woman singing about human romantic love from a woman s perspective
