Speaking Out Of Turn Lectures And Speeches 1940 1991:

Speaking Out Of Turn Manning Clark, 2013-05-09 This fascinating book brings together forty two selected speeches and lectures by Professor Manning Clark They range over fifty years from What of Germany delivered in 1940 to the last delivered in 1991 just before his death at the launch of Barry Humphries book The Life and Death of Sandy Stone and reveal recurring themes as well as developments in Clark s thinking In one sense they are all of a piece They reflect the values aspirations regrets and laughter of one passionate and intelligent man In another they change and develop during the course of that man s intellectual and emotional career In early manhood he analysed issues and problems ruthlessly in terms of his own values In middle life he portrayed men and women and expounded ideas from a historical perspective Towards his end the elegiac mood prevailed and he sought not always successfully to speak as a life affirmer and to regard all men and women and events with the eye of pity A History of Australia Volumes 1 2 Earliest Times 1838 deals with the pre white settlement era and the earliest years of European colonisation through to the establishment of an increasingly settled society and the expeditions of the great inland explorers **Patrick White Beyond the Grave** Ian Henderson, Anouk
