Special Education Children With Learning Problems:

Educating Students with Learning Problems-- a Shared Responsibility Madeleine Claudette Will, 1986 Special Education James M. Kauffman, Daniel P. Hallahan, Paige C. Pullen, Jeanmarie Badar, 2018-05-30 Special Education What It Is and Why We Need It provides a thorough examination of the basic concept of special education a discussion of specific exceptionalities and constructive responses to common criticisms of special education Whether you re a teacher school administrator teacher educator or simply interested in the topic you will learn just what special education is who gets it or who should get it and why it is necessary The second edition of this brief yet powerful primer will help you build the foundation of a realistic rational view of the basic assumptions and knowledge on which special education rests *Critical Issues In Special Education* James E. Ysseldyke, Bob Algozzine, Martha Thurlow, 1998 *Fundamentals of Special Education* Margaret G. Werts, Richard Culatta, James R. Tompkins, 2007 Fundamentals of Special Education What Every Teacher Needs to Know gathers into one source the critical information needed to understand students with disabilities Written to be concise yet complete it is an essential resource for educators because it provides the basic parameters of each disability area and defines the issues that impact current interventions and practices This new edition addresses the latest laws in special education such as the reauthorization of IDEA and NCLB includes a new chapter on autism spectrum disorders and contains additional information on collaboration with families and other service professionals **Handbook of Special Education** James M. Kauffman, Daniel P. Hallahan, 2011-05-15 Special education is now an established part of public education in the United States by law and by custom However it is still widely misunderstood and continues to be dogged by controversies related to such things as categorization grouping assessment placement funding instruction and a variety of legal issues The purpose of this 13 part 57 chapter handbook is to help profile and bring greater clarity to this sprawling and growing field To ensure consistency across the volume chapter authors review and integrate existing research identify strengths and weaknesses note gaps in the literature and discuss implications for practice and future research Key features include Comprehensive Coverage Fifty seven chapters cover all aspects of special education in the United States including cultural and international comparisons Issues Trends In addition to synthesizing empirical findings and providing a critical analysis of the status and direction of current research chapter authors discuss issues related to practice and reflect on trends in thinking Categorical Chapters In order to provide a comprehensive and comparative treatment of the twelve categorical chapters in section IV chapter authors were asked to follow a consistent outline Definition Causal Factors Identification Behavioral Characteristics Assessment Educational Programming and Trends and Issues Expertise Edited by two of the most accomplished scholars in special education chapter authors include a carefully chosen mixture of established and rising young stars in the field This book is an appropriate reference volume for anyone researchers scholars graduate students practitioners policy makers and parents interested in the state of special education today its research base current issues and

practices and future trends It is also appropriate as a textbook for graduate level courses in special education **Learning**

Disabilities: A to Z Corinne Smith,Lisa Strick,1999-05-25 Corinne Smith and Lisa Strick provide a comprehensive guide to the causes identification and treatment of learning disabilities **Teaching Students With Learning Disabilities** Roger

Pierangelo,George Giuliani,2008-05-29 The authors include a complete glossary of terms plus guidelines for academic instruction behavioral interventions classroom accommodations placement options assessments and transition services for students with LD **Who Benefits From Special Education?** Ellen A. Brantlinger,2006-08-15 Who Benefits From Special

Education Remediating Fixing Other People s Children addresses the negative consequences of labeling and separating education for students with disabilities the cultural biases inherent in the way that we view children s learning difficulties the social construction of disability the commercialization of special education and related issues The theme that unifies the chapters is that tension exists between professional ideology and practice and the wishes and expectations of the recipients of professional practice children adolescents and adults with disabilities and their families These voices have rarely taken center stage in formulating important decisions about the quality and characteristics of appropriate practice The dominant view in the field of special education has been that disability is a problem in certain children rather than an artifact that results from the general structure of schooling it does not take into consideration the voices of people with disabilities their families or their teachers Offering an alternative perspective this book deconstructs mainstream special education ideologies and highlights the personal perspectives of students families and front line professionals such as teachers and mental health personnel It is particularly relevant for special education disabilities studies graduate students and faculty and for readers in general education curriculum studies instruction theory and critical theory *The Everything Parent's Guide to Special Education* Amanda Morin,2014-04-18 Be your child s best advocate Children with special needs who succeed in school have one thing in common their parents are passionate and effective advocates It s not an easy job but with The Everything Parent

s Guide to Special Education you will learn how to evaluate prepare organize and get quality services no matter what your child s disability This valuable handbook gives you the tools you need to navigate the complex world of special education and services with information on Assessment and evaluation Educational needs for different disabilities including multiple disabilities Current law including the Individuals with Disabilities Education Act IDEA Working within the school system to create an IEP The importance of keeping detailed records Dealing with parent school conflict With worksheets forms and sample documents and letters you can be assured that you ll have all you need to help your child thrive in school and in life
