Inclusion Alan Hodkinson, 2015-09-26 Understanding and engaging critically with the field of special educational needs and disability SEND is a difficult task. However, the new edition of this bestselling book continues to help students contextualize SEND in relation to historical ideological and political developments as well as support them in developing a critical understanding of the complexities associated with inclusion. Completely up to date with recent legislation such as the SEND Code of Practice 2014, there are case studies, reflections, and activities which will help students question practice they have seen and experienced. Covering the 0-25 age range, this book is suitable for all those working with children and young people across education, health, and social work. Sharing Perspectives for Educating Young Children with Disabilities Nancy Sall, Catherine Hall, Rikhye, Darnell Carr, Newsum, Samreen Hoda, 2024-09-06

This important book is an exploration of the ways parents, teachers, and academics view the development and schooling of young children with disabilities. It offers an in-depth examination of the common and critical issues that emerge as children and their families first enter the school system, navigate the educational landscape, and learn to advocate for their rights. Each chapter of the book presents a parent's perspective of significant issues, followed by a teacher's perspective. From their stories, numerous themes are identified and connected to the academic literature. The experiences shared and the literature reviewed address the challenges, successes, and opportunities for increased understanding that emerge as parents and educators work together toward a common goal. Sharing Perspectives for Educating Young Children with Disabilities is essential reading for all pre-service and in-service early childhood and special education professionals and parents engaging in the process of listening carefully to others with the aim of supporting the education of young children. **Key Issues in Special Educational Needs, Disability and**

Inclusion Alan Hodkinson, 2019-08-31 This third edition continues to guide students through the challenging field of special educational needs and disability. Contextualising SEND in relation to historical ideological and political developments, this book offers essential support to students as they develop a critical and up-to-date understanding of the practical challenges and opportunities concerning inclusion. New edition features include: Up-to-date legislation such as the SEND Code of Practice; Material surrounding social, emotional, and mental health; New practical case studies, reflections, and activities; Revised chapter summaries. More on the future of SEND.
