Planning Your Preaching Stephen Nelson Rummage, A pastor created and field tested easily adaptable method for planning a comprehensive preaching ministry

Christ-Centered Sermons Bryan Chapell, 2013-10-15 Highly regarded preacher and teacher Bryan Chapell shows readers how he has prepared expository sermons according to the principles he developed in his bestselling Christ Centered Preaching This companion volume provides concrete examples of how a redemptive approach to Scripture is fleshed out in various types of sermons and various genres of the Bible The example sermons not only demonstrate different approaches but also are analyzed for pedagogical purposes helping readers move from theory to practice In essence the book allows students and preachers to look over Chapell s shoulder as he prepares these messages to learn how to construct their own expository sermons that communicate grace and truth from both the Old and New Testaments

Expository Preaching in a World of Spiritual Nominalism R. T. Johnson Raih, 2021-10-06 The spiritual decay of nominalism threatens the established church worldwide While spiritual lethargy is often addressed from the perspective of theology and discipleship

little attention has been given to the role of homiletics in revitalizing a congregation's spiritual health. In this study Dr Johnson Raih explores the impact of preaching on members of Baptist churches in Imphal Manipur India from 2000 to 2015. He utilizes interviews and questionnaires from pastors, church leaders and lay members to assess the presence of nominalism within church congregations along with the effects of various preaching methods on increasing or decreasing spiritual vitality. Combining this qualitative research with scriptural and theological insight Raih suggests that expository preaching has the power to confront and even eradicate nominalism within the church. He draws on biblical examples along with the methodology of John Stott and Timothy Keller to offer ten practical recommendations for countering nominalism homiletically whether in Imphal India or around the world. Sermons on Special Occasions John Harris, 1857 **Preparing Expository Sermons** Ramesh Richard, 2001-11-01. The Bible is what God has made. Sermons are what we make with what God has made. This is the foundation for developing expository messages according to Ramesh Richard. His method explained in *Preparing Expository Sermons* has been field tested in training seminars for thousands of preachers around the world. Richard's book is a simple do it yourself resource for developing and preaching expository sermons. It guides the reader through a seven step process with many practical suggestions and illustrative charts along the way. In addition there are eleven appendixes that include information on: o how to choose a text o preaching narratives o understanding your audience o forms of sermon introduction. A comprehensive sermon evaluation questionnaire is included as well. *Preparing Expository Sermons* an updated and expanded version of *Scripture Sculpture* is ideal for beginning preachers, lay preachers without formal training or any pastor who is looking for a refresher course in expository sermon preparation.
