Speechless Dialect Shakespeares Open Silences:

Speechless Dialect Philip C. McGuire, 1985

Gender and Performance in Shakespeare's Problem Comedies

David F. McCandless, 1997-12-22 This is exactly the kind of work with its synthesis of theory close reading and deconstructive performance criticism that many of us in the profession have been looking for Joel B Altman University of California Berkeley McCandless's book represents an inventive and illuminating account that not only produces a theoretically activated text but also explores a range of options for staging it turning theoretical into theatrical meanings Barbara Hodgdon Drake University The writing is clear snappy wonderfully informed with a vivid and experienced theatrical imagination a book that taught me a good deal about the problem comedies especially from the vantage point of performance though the insights into performance are fully and incisively integrated with and they richly illuminate formal thematic and psychological vantage points on the play Richard P Wheeler University of Illinois Composed at a critical moment in English history All's Well That Ends Well Measure for Measure and Troilus and Cressida Shakespeare's problem plays dramatize a crisis in the sex gender system They register a male dread of emasculation and engulfment a fear of female authority and sexuality In these plays males identify desire for a female as dangerous and unmanly females contend and confound traditional femininity David McCandless's book is a unique and invigorating example of performance criticism that illuminates these difficult sometimes overlooked tragicomedies It is an original and timely contribution to Shakespearean theater scholarship *Stages of Play* Michael W. Shurgot, Margaret E. Owens, 1998 Rather than arguing for a unified response among spectators as many scholars do the book argues that when the plays are performed on thrust stages the audience's reactions are actually seminal to the plays intended dramatic effects Shakespearean Power and Punishment Gillian Murray Kendall, 1998 The essays in this volume demonstrate how effectively different indeed seemingly contradictory theoretical paradigms can work with Shakespeare's plays to excavate issues of power and punishment **Shakespeare: The Elizabethan Plays** Susan Bassnett, 2016-01-06 This book considers the plays by Shakespeare produced during the reign of Elizabeth and discusses some of the key issues of the day in their historical context Using a comparative method that seeks to move away from the division of Shakespeare's works into categories of tragedies comedies and histories plays are compared and contrasted for the purpose of analysing wider contextual questions This is a useful book for students and with its companion volume Shakespeare The Jacobean Plays which examines the plays written after the accession of James I in 1601 it provides an overview of the work of a great dramatist in his own time *Shakespearean Entrances* M. Ichikawa, 2002-10-02 Shakespearean Entrances offer a systematic study of entrances and exits on the Shakespearean stage Elizabethan playwrights and players not only routinely handled these movements but they also used them to bring about various effects Through analyzing the surviving play texts the author attempts to identify the unspoken but standard rules that lay behind the minimal and conventionalized stage directions Enter and Exit Exeunt The findings provide means by which to recover

effects and meanings that the original audience would have appreciated **Shakespeare's Theatre** Hugh Macrae
 Richmond, 2004-01-01 Under an alphabetical list of relevant terms names and concepts the book reviews current knowledge
 of the character and operation of theatres in Shakespeare's time with an explanation of their origins **Understanding**
Shakespeare's Plays in Performance Jay L. Halio, 1988 Every year hundreds of thousands of people buy tickets to see
 Shakespeare's plays performed No other playwright commands the kind of interest that Shakespeare does **Directing**
Shakespeare Sidney Homan, 2004 Professor Homan recounts the experience of staging King Lear accompanied by a musical
 score for piano violin and cello played live onstage He discusses the challenge of making and trying to justify cuts in Hamlet
 The chapter on The Comedy of Errors shows the ways in which scholarly and critical writings can contribute to a director's
 decisions on everything from casting to acting styles A casual remark from an actress leads to a feminist production of a
 Midsummer Night's Dream He describes the delicate collaboration between director and performer as he works with actors
 preparing for The Merchant of Venice King Lear and Hamlet Other chapters treat a set designer's bold red drapes that
 influenced the director's concept for Julius Caesar and the cross influence of back to back runs of Stoppard's Rosencrantz
 and Guildenstern Are Dead and Hamlet BOOK JACKET Shakespeare's Double Plays Brett Gamboa, 2018-05-03 In the first
 comprehensive study of how Shakespeare designed his plays to suit his playing company Brett Gamboa demonstrates how
 Shakespeare turned his limitations to creative advantage and how doubling roles suited his unique sense of the dramatic By
 attending closely to their dramaturgical structures Gamboa analyses casting requirements for the plays Shakespeare wrote
 for the company between 1594 and 1610 and describes how using the embedded casting patterns can enhance their thematic
 and theatrical potential Drawing on historical records dramatic theory and contemporary performance this innovative work
 questions received ideas about early modern staging and provides scholars and contemporary theatre practitioners with a
 valuable guide to understanding how casting can help facilitate audience engagement Supported by an appendix of
 speculative doubling charts for plays illustrations and online resources this is a major contribution to the understanding of
 Shakespeare's dramatic craft

The Enigmatic Realm of **Speechless Dialect Shakespeares Open Silences**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
