The New Living Way A Fresh Exposition Of The Epistle To The Hebrews

George Claude Lorimer

The New Living Way A Fresh Exposition Of The Epistle To The Hebrews:

The New & Living Way George Allen Turner, 1974 This exposition of Hebrews was prepared with the needs of pastors Sunday school teachers and adult Bible study groups in view It is the outgrowth of several years of studying teaching and preaching from this epistle in a variety of different situations The final preparation of material for the press extended over a period of two years Although an exegesis of the Greek text is not included in this volume the exposition is based upon a close study of the Greek text and of several versions The exposition proceeds upon a paragraph by paragraph rather than on a verse by verse approach thus seeking the overall thrust and movement of the letter In this treatment of the epistle special attention is given to three areas the analytical outline topical studies and illustrative material This exposition is based on the American Standard Version of 1901 Preface *The Holiest of All. An Exposition of the Epistle to the Hebrews* Andrew Murray, 1895 *An Exposition of the Epistle to the Hebrews* Henry Wilkinson Williams, 1871 **Hebrews** William L. Lane, 1991 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship *Religious Books, 1876-1982* R.R.
