this book I have tried to give as just a view of Sullivan's life and work as it is possible for one who loved him as a kinsman and
appreciated his sterling qualities as a friend and composer Many of these pages reflect the spirit of numerous conversations
and his opinions on matters which he would not openly discuss in his lifetime I have touched only on such controversial
subjects as justice demands and have avoided as far as possible the personal note My chief aim has been to produce a handy
little volume which shall be useful alike to the student and the musical amateur About the Publisher Forgotten Books
