

ADVANCE PRAISE FOR *Sirena Selena*

"What Paig did to transform the way we think of American film, Santos-Febres has managed for Latin music. *Sirena* is fantastic! Like *Conríto Frenó*, she'll come to haunt you; like *Mari Anchoy*, she'll steal your heart. The *Grammys* will have to invent a new category—Best Album of the Year in Fiction."

—LAURA ESQUIVEL, author of *Like Water for Chocolate* and *The Law of Love*

"Every once in a while you come across a novel and say to yourself, This is the novel I've always wanted to read, but no one had dared write it until now. Mayra Santos-Febres's sultry and beguiling *Sirena Selena* is such a novel, a secret, honey-eyed pleasure you will dream your way through. It's bristly, fancy, mordantly theatrical, sexy as hell, and utterly memorable. Its long, strassy seduction will leave you reeling with desire. Ms. Santos-Febres is an electrifying post-sylvia. *Sirena Selena* is a glittering gem of a book."

—PAUL RUSSELL, author of *The Crying Storm*

"Mayra Santos-Febres is an enchantress; her words will seduce you even when the whole world is pressing on you. The erotically charged language that fuels the narrative voice is a fire, a wonder, and Santos-Febres uses it to read, in the curves and hollows of the human body, the torment, joy, and plain old man it is to be alive."

—ERNESTO MESTRE, author of *The Lazarus Rumba*

"A magical newsworld from another quarter of the global village, where the hungry comb through the trash of American pop culture and bring forth jewels, where how you carry yourself is everything, because the self you piece together is all you have. With lyric precision, Santos-Febres sings that art is the highest form of hustling, enchantment the deadliest weapon of the dispossessed."

—MARK MERLIN, author of *American Indian* and *de Arroyo's Flight*

Oxford Handbook of the Latin American Novel Juan E. De Castro, Ignacio López-Calvo, 2023 The Latin American novel burst onto the international literary scene with the Boom era led by Julio Cortázar Gabriel García Márquez Carlos Fuentes and Mario Vargas Llosa and has influenced writers throughout the world ever since García Márquez and Vargas Llosa each received the Nobel Prize in literature and many of the best known contemporary novelists are inspired by the region's fiction Indeed magical realism the style associated with García Márquez has left a profound imprint on African American African Asian Anglophone Caribbean and Latinx writers Furthermore post Boom literature continues to garner interest from the novels of Roberto Bolaño to the works of César Aira and Chico Buarque to those of younger novelists such as Juan Gabriel Vásquez Alejandro Zambra and Valeria Luiselli Yet for many readers the Latin American novel is often read in a piecemeal manner delinked from the traditions authors and social contexts that help explain its evolution *The Oxford Handbook of the Latin American Novel* draws literary historical and social connections so that readers will come away understanding this literature as a rich and compelling canon In forty five chapters by leading and innovative scholars the Handbook provides a

Coming of Age in the Afro-Latin American Novel Bonnie S. Wasserman, 2022 This book is the first study of recent coming of age novels from Brazil and the Spanish speaking Caribbean. I investigate the divide in Afro Latin American research that usually favors either Hispanic America or Brazil but not both. I argue that contemporary novelists have adapted the coming of age novel to explore central themes in the Afro Latin American experience such as Blackness African religions and folkloric traditions and immigration. While there is no firm consensus on the term Blackness scholars typically use the term to describe the social cultural and historical experience of Afro descendants in the diaspora. The Afro Latin American bildungsromans examined in this study include a number of religions such as Catholicism Spiritism and syncretic folk religions as well as Santería and Umbanda reflecting the variety of beliefs in Latin America. I have found that young people turn to religions and spiritual traditions in time of need. Going on a journey as part of one's personal development is one of the central themes of many bildungsroman and this pertains too in Afro Latin American novels. Caribbean characters are depicted as immigrating to the United States whereas few Brazilians have enough resources to travel to North America and instead move to larger cities within their own country.

Out of Bounds Dara E. Goldman, 2008 Out of Bounds teases out the intricacies of a territorial conception of nationhood in the context of a global reorganization that ostensibly renders historical boundaries irrelevant Hispanic Caribbean writers have traditionally pointed toward the supposed perfect equivalence of island and nation and have explained local culture as a direct consequence of that equation

The major social political and demographic shifts of the twentieth century increasingly call this equation into question yet authors continue to assert its existence and its centrality in the evolution of Caribbean identity The author contends that traditional forms of identification have not been eviscerated by globalization instead they have persisted and in some cases have been intensified by recent geopolitical shifts Out of Bounds underscores the ongoing role of the nation as the site of identity formation In this manner the book presents Hispanic Caribbean cultural production as a case study that acutely dramatizes the paradoxical status of traditional demarcations of self definition in an increasingly globalized context

Representing Queer and Transgender Identity Alexandra Gonzenbach Perkins,2017-08-04 Fluid Bodies traces the intersections of global movement with transgender and queer identities from authors and artists of the Hispanic Caribbean Utilizing the theme of fluidity and travel Fluid Bodies analyzes novels graphic novels theatre and performance art These works demonstrate how transgender and queer bodies redefine belonging particularly national belonging through global movement and community making practices Through these genres the text follows the movement of transgender and queer identities from textual spaces to spaces of the body The gradual movement from text to body as it occurs in these genres demonstrates the variety of representational strategies that dismantle binary readings of gender sexuality and nationality Transgender visibility is a pressing social issue and today s transgender moment will be a social and political necessity for years to come Of particular importance are representations of transgender and or queer people of color The field of transgender representation is growing and Fluid Bodies adds to the visibility of transgender and queer identity from the Hispanic Caribbean By investigating the relationship between novels graphic novels theatre and performance art Fluid Bodies emphasizes how each work plays on and against the separation of language and the body and how Hispanic Caribbean authors and artists represent transgender and queer identity in order to redefine cultural and national belonging in various geographic spaces Island Bodies Rosamond S. King,2014-05-13 Island Bodies analyzes cultural production from Caribbean and Caribbean diaspora writers that flouts sexual norms The chapters focus on how homosexuality interracial relationships transgender people and women s sexual agency are portrayed in film music and literature
