reader review What happens when you discover that your glamorous movie star mother could never have given birth to you

published as *Private Lies* I don't know why more people aren't talking about this book it's worth your time reader review A
delight to read Reminded me a bit of Nora Roberts storytelling reader review Captures your interest straightaway reader
review I adored this so many twists and turns I recommend this book highly reader review All her life she's been searching
for the truth The three daughters of stunning but unstable movie star Jillian Croft and her famous acting teacher husband
Daniel Braddock grew up being treated as special even after their mother's tragic death Years later their world is overturned
when they discover a medical document suggesting Jillian could never have given birth to them Whilst Olivia and Eve insist
there's some mistake quirky impulsive middle sister Rosalind can't leave the matter alone Rosalind has always felt separate
from her poised successful sisters If she has a different birth mother she wants to know Investigation leads her to Leila
Allerton an opera singer from New Jersey with a vibrant close knit family to whom Rosalind aches to belong At first its
members warmly welcome their new neighbour but circumstances and personalities soon clash leaving a bewildered
Rosalind unsure how they'll feel when they discover her true reason for seeking them out Don't miss Muna's other
