Congress. House. Committee on Ways and Means, 1982 The Code of Federal Regulations of the United States of America, 1990 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government **Code of Federal Regulations**, 2000 Bulletin, 1926 **National Training Course, Emergency Medical Technician, Paramedic, Instructor's Lesson Plans** United States. National Highway Traffic Safety Administration, 1977 **Interpreting Imperatives**

Magdalena Kaufmann,2011-10-26 Imperative clauses are recognized as one of the major clause types alongside those known as declarative and interrogative Nevertheless they are still an enigma in the study of meaning which relies largely on either the concept of truth conditions or the concept of information growth neither of which are easily applied to imperatives This book puts forward a fresh perspective It analyzes imperatives in terms of modalized propositions and identifies an additional presuppositional meaning component that makes an assertive interpretation inappropriate The author shows how these two elements can help explain the varied effects imperatives have depending on their usage context Imperatives have been viewed as elusive components of language because they have a range of functions that makes them difficult to unify theoretically This fresh view of the semantics pragmatics interface allows for a uniform semantic analysis while accounting for the pragmatic versatility of imperatives
