### **Situational Prison Control Crime Prevention In Correctional Institutions:**

*Situational Prison Control* Richard K. Wortley, 2002-03-25 This book examines the control of problem behaviour in prison from a situational crime prevention perspective Following the success of situational crime prevention in community settings Richard Wortley argues that the same principles can be used to help reduce the levels of assault rape self harm drug use escape and collective violence in our prison systems This pioneering new study proposes a two stage model of situational prevention that moves beyond traditional opportunity reduction it attempts to reconcile the contradictory urges to control prison disorder by tightening up and hardening the prison environment on the one hand and loosening off and normalising it on the other Combining a comprehensive synthesis and evaluation of existing research with original investigation and ground breaking conclusions *Situational Prison Control* will be of great interest to academics and practitioners both in the areas of correction and crime prevention more generally

**Situational Prison Control** Richard K. **Organized Crime, Corruption and Crime Prevention** Stefano Caneppele, Francesco Calderoni, 2013-10-30 This volume collects new contributions to research on mafias organized crime money laundering and other forms of complex crimes gathering some of the most authoritative and well known scholars in the field The chapters for this volume are original peices written in honor of the retirement of Dr Ernesto U Savona highlighting his research and legacy Throughout his academic career Professor

Ernesto U Savona has investigated complex crimes ranging from organized crime to economic crime to money laundering In his work he has tried to bring together academics policy makers and practitioners to bring understanding for crime problems and innovative solutions His passion towards the practical application of the findings of scientific research led him to found Transcrime in 1994 which is today among the most important criminological think tanks in Europe This important book is aimed at scholars studying criminal policy and research particularly in the areas of criminal networks organized crime white collar crime the history of criminology Strategic Learning Ideologies in Prison Education Programs Biao, Idowu,2017-10-31 The discipline of adult education has been vastly discussed and optimized over the years Despite this certain niches in this area such as correctional education remain under researched and under developed Strategic Learning Ideologies in Prison Education Programs is a pivotal reference source that encompasses a range of research perspectives on the education of inmates in correctional facilities Highlighting a range of international discussions on topics such as rehabilitation programs vocational training and curriculum development this book is ideally designed for educators professionals academics students and practitioners interested in emerging developments within prison education programs

**The Wiley International Handbook of Correctional Psychology** Devon L. L. Polaschek,Andrew Day,Clive R. Hollin,2019-02-08 A two volume handbook that explores the theories and practice of correctional psychology With contributions from an international panel of experts in the field The Wiley International Handbook of Correctional Psychology offers a comprehensive and up to date review of the most relevant topics concerning the practice of psychology in correctional systems The contributors explore the theoretical professional and practical issues that are pertinent to correctional psychologists and other professionals in relevant fields The Handbook explores the foundations of correctional psychology and contains information on the history of the profession the roles of psychology in a correctional setting and examines the implementation and evaluation of various interventions It also covers a range of topics including psychological assessment in prisons specific treatments and modalities as well as community interventions This important handbook Offers the most comprehensive coverage on the topic of correctional psychology Contains contributions from leading experts from New Zealand Australia Europe and North America Includes information on interventions and assessments in both community and imprisonment settings Presents chapters that explore contemporary issues and recent developments in the field Written for correctional psychologists academics and students in correctional psychology and members of allied professional disciplines The Wiley International Handbook of Correctional Psychology provides in depth coverage of the most important elements of the field Extreme Punishment Keramet Reiter,Alexa Koenig,2015-07-28 This ground breaking collection examines the erosion of the legal boundaries traditionally dividing civil detention from criminal punishment The contributors empirically demonstrate how the mentally ill non citizen immigrants and enemy combatants are treated like criminals in Canada the United Kingdom and the United States Prison Worlds Didier Fassin,2017-05-23 The prison is a recent

invention hardly more than two centuries old yet it has become the universal system of punishment How can we understand the place that the correctional system occupies in contemporary societies What are the experiences of those who are incarcerated as well as those who work there To answer these questions Didier Fassin conducted a four year long study in a French short stay prison following inmates from their trial to their release He shows how the widespread use of imprisonment has reinforced social and racial inequalities and how advances in civil rights clash with the rationales and practices used to maintain security and order He also analyzes the concerns and compromises of the correctional staff the hardships and resistance of the inmates and the ways in which life on the inside intersects with life on the outside In the end the carceral condition appears to be irreducible to other forms of penalty both because of the chain of privations it entails and because of the experience of meaninglessness it comprises Examined through ethnographic lenses prison worlds are thus both a reflection of society and its mirror At a time when many countries have begun to realize the impasse of mass incarceration and question the consequences of the punitive turn this book will provide empirical and theoretical tools to reflect on the meaning of punishment in contemporary societies
