## Six Satirists:

*Six Satirists* Carnegie Institute of Technology, Pittsburgh. Department of English, 1865      English Satire and Satirists Hugh Walker, 1925      *Iranian Political Satirists* Mahmud Farjami, 2017-05-18 This volume surveys political satire as a journalistic genre in Iran since the latter days of the Qajar dynasty to the present thus spanning one century and more It is an important resource but it also provides an analysis Moreover this volume is a rare effort to answer a question that looks simple but is very complicated Why would someone produce satire knowing that this act might be followed by dangerous consequences and to find out what motivates political satirists For this aim nine prominent political satirists have been interviewed writers and cartoonists men and women those who live abroad and those who still live in Iran The author analyses this data in relation to among other things the main theories of humor to provide a descriptive report for each satirist s motivations as well as the strength of each motivational element in a general comparative context      **Satire and Satirists** James Hannay, 1854      **Six satirists, etc. [The editorial committee identified in the foreword as Beekman W. Gehring, 2013-10-11 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S J Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884 1949 This factual funnyman s metier is dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as *How to Be a Hermit* 1929 *How to Tell Your Friends from the Apes* 1931 and *The Decline and Fall of Practically Everybody* 1950 This biography doubles as a critical study of a satirist whose shish kebabing of humanity was often done through the veiled anthropomorphic

use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona Gellius the Satirist Wytse Hette Keulen,2009 Noting previously unrecognised allusions to literary works and contemporary events this book presents an original portrait of the miscellanist Aulus Gellius Attic Nights as a satirical writer and a Roman intellectual working within the cultural milieu of Antonine Rome *The Arch-satirist* Frances De Wolfe Fenwick,1910
