Historical Dictionary of the 1960s James S. Olson, 1999-12-30 Few eras in U.S. history have begun with more optimistic promise and ended in more pessimistic despair than the 1960s When JFK became president in 1960 the U.S. was the hope of the world Ten years later American power abroad seemed wasted in the jungles of Indochina and critics at home cast doubt on whether the U.S. was really the land of the free and the home of the brave This book takes an encyclopedic look at the decade at the individuals who shaped the era the civil rights movement the antiwar movement the women's movement and the youth rebellion It covers the political

military social cultural religious economic and diplomatic topics that made the 1960s a unique decade in U S history **The Life and Death of a Rural American High School (1995)** Deyoung Alan, 2017-12-22 Published in 1995 this book provides an account of a detailed research project focusing on a rural school in West Virginia Researched from several social science perspectives the book strives to capture intersections between biography and history in a particular public school Burnsville High and Middle school in Braxton County that has been influenced by social political and economic forces eventually leading to its closure The author also discusses how the example of this school can be applied within the framework of American public education and Western culture itself Based on research from unstructured interviews oral histories historical records and intermittent fieldwork that took place between 1989 and 1992 the book provides an in depth look at a specific school offering a basis for discussing rural schools in general It challenges the idea that bigger schools are better and more efficient schools in terms of the individual the social life of the school and the surrounding community and considers the lack of scholarly accounts available on the issues controversies and social dynamics that surround these vital community matters
