Bella's Wish Linzi Basset, 2021-02-12 *Bella's Wish* is a sweet but sizzling Valentine's suspense romance novella that proves there is always a chance for true love even if it's the second time around. A man starting over. A woman running from her past. A little girl with one wish. Life was unpredictable. Kade Walker knew this too well. His future had been planned, his goals at the cusp of being achieved until fate intervened. Now as the new Sheriff of Marion County, he was forced to start over, forced to create new plans and new goals. Perhaps in the process he'd find his way back to being human. He might even find a date for Valentine's Day for the first time in six years. Life was unpredictable. Shay Falkner knew this too well. She had been happy and on the verge of getting married but witnessing a violent murder changed all of that and she was forced to run. Forced to start over. Forced to create new plans in witness protection. Perhaps in the process she would find someone to show her she deserved to be loved. She might even find a date for Valentine's Day for the first time in two years. Bella only had one wish, something she desired above all else, something she wanted even more than to meet Santa Claus, she wanted a new mom and Shay was it. But as always, life was unpredictable. Shay's past came back to threaten to destroy everything just when the new plans were unfolding into a beautiful love story. Would Kade and Shay be forced apart? Forced to start over again? Would Bella's wish come true this Valentine's Day or was fate about to intervene as it always did? Editor's Note: *Bella's Wish* will have any woman who knows the meaning of being loved by a good man swooning at everything that is Kade.
