A Sketch of Chinese History Francis Lister Hawks Pott,1908 **A Sketch of Chinese History, Ancient and Modern** Karl Friedrich August Gützlaff,2015-01-22 The Prussian born Protestant missionary Karl Friedrich August Gützlaff 1803 51 sought to spread Christianity in the Far East A gifted linguist he learned several Chinese dialects and distributed translated literature This 1834 two volume work sought to diminish Anglophone ignorance of China's history from mythological times to the ruling Qing dynasty **A Sketch of Chinese History** Francis Lister Hawks Pott,1949 A Sketch of Chinese History (Classic Reprint) F. L. Hawks Pott,2017-09-15 Excerpt from A Sketch of Chinese History The present volume is written to meet a practical need The author has long felt in his work as a teacher the want of a short history of China Of larger histories and of monographs treating fully of some one period there is no lack but a concise outline of Chinese history accenting the turning points in the life of the nation has not yet been produced To reduce the voluminous native histories of China to a small compass is undoubtedly an ambitious undertaking but yet it is a task that someone must attempt The average student has not the time nor the inclination to wade through the cumbrous volumes which exist at present and when he ventures to do so he often becomes discouraged because of the impossibility of remembering the strange and difficult names of the persons and places with which the pages are crowded and so perhaps lays down the book without having gained any very clear impression of the history as a whole It is hoped that this brief survey of the entire field may be of service in making it easier for the reader to fix in his mind the salient points of the long story In the spelling of the names of persons we have followed as far as possible one system throughout namely that of Professor Giles of Cambridge University About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Sketch of Chinese History** ,188? **A sketch of Chinese history, ancient and modern** Karl Friedrich A. Gützlaff,1834 A Sketch of Chinese History Karl Friedrich August Gützlaff,1834 *A Sketch of Chinese History* Henry Courtenay Fenn,1957 A Sketch of Chinese History Henry C. Fenn,1982-03-01 A Sketch of Chinese History is a brief summary of the major events that have shaped the China of today from its beginnings to the overthrow of the dynastic system in 1911 The primary object of this book is to familiarize students with the terms and patterns used in spoken and written discussions of current affairs Secondly it gives the student a command of some of the basic facts of Chinese history and culture In actual use it has been found to be good preparation for newspaper level Chinese They style is primarily *pai hau bai hua* Many years of use at Yale University has demonstrated that this text can be used as a transition from the

vernacular style to the modern language of print Many different kinds of exercises are included in this book and so it has also been used successfully as a spoken language textbook A Sketch of Chinese History F.L. Hawks Pott, 1908
