

Sociology: Perspectives and Core themes

NB: Keep this booklet in your folder as it will prove useful throughout the whole course!

Key terms:

A **sociological perspective** involves a set of theories which influences what is looked at when studying society. The main sociological perspectives include: Functionalism, Marxism, Feminism, New Right, Postmodernism, Social action (Interpretivist theories) and Realist.

Consensus theories assume that society is primarily harmonious, and social order is maintained through widespread agreement (consensus) between people on important goals, values and norms of society. Consensus theory is primarily associated with functionalist theory.

Conflict theories are perspectives in sociology that emphasize

Handbook Of The Sociology Of Youth In Brics Countries Tom Dwyer, Mikhail K Gorshkov, Ishwar Modi, Chunling Li, Mokong S Mapadimeng, 2017-11-08 Youth are by definition the future This book brings initial analyses to bear on youth in the five BRICS countries Brazil Russia India China and South Africa which are home to nearly half of the world's youth Very little is known about these youth outside of their own countries since the mainstream views on youth and youth culture are derived from the available literature on youth in the industrialized West which is home to a small part of the world's youth This book aims to help fill in this gap The handbook examines the state of youth their past present and permits the development of insights about future The BRICS countries have all engaged in development processes and some remarkable improvements in young people's lives over recent decades are documented However the chapters also show that these gains can be undermined by instabilities poor decisions and external factors in those countries Periods of economic growth political progress cultural opening up and subsequent reversals rearticulate differently in each society The future of youth is sharply impacted by recent transformations of economic political and social realities As new opportunities emerge and the influence of tradition on youth's lifestyles weakens and as their norms and values change the youth enter into conflict with dominant expectations and power structures The topics covered in the book include politics education health employment leisure Internet identities inequalities and demographics The chapters provide original insights into the development of the BRICS

countries and place the varied mechanisms of youth development in context This handbook serves as a reference to those who are interested in having a better understanding of today's youth Readers will become acquainted with many issues that are faced today by young people and understand that through fertile dialogues and cooperation youth can play a role in shaping the future of the world Accessions List, South Asia Library of Congress. Library of Congress Office, New Delhi, 1991 Women, Pleasure and the Gambling Experience Emma Casey, 2016-02-17 Drawing on a broad range of historical and sociological literature this book traces the everyday gambling experiences of a diverse group of women It provides fascinating and original insights into the pleasures afforded to women through their gambling participation and draws on a variety of feminist literature to understand women's motivations and experience of play and to examine the ways in which women negotiate their right to gamble without reprimand Since gambling tends to be framed within moral discourses of danger and excess this book offers a defence of women's decisions to gamble against an often hostile backdrop It rewrites claims that gambling is meaningless and reckless spending by pointing instead to the highly complex strategies that women who gamble employ Importantly it adds to contemporary feminist debates about women's leisure by showing how women seize control of their lives in order to carve out a time and space for the pursuit of pleasure **Perspectives On Behavioral Science** Richard Jessor, 2019-05-28 The behavioral sciences anthropology sociology psychology economics geography political science have reached a turning point as we enter the decade of the 1990s Freed from a strict emulation of classical science methodology while benefiting from the remarkable advances in biology and the other hard sciences scholars in the behavioral science Indian Books in Print, 2002 The Serious Leisure Perspective Robert A. Stebbins, 2020-07-25 The Serious Leisure Perspective SLP is a theoretic framework developed by Robert A Stebbins in 1973 that brings together three main forms of leisure known as serious leisure casual leisure and project based leisure The SLP has evolved considerably since 1973 and this textbook provides a synthesis of the many concepts and propositions as well as the data supporting them In this overview Stebbins organizes the entire framework along conceptual lines with careful attention to level of empirical support and validation of each concept presenting an up to date version of the SLP that allows interested students and researchers of social psychology sociology and leisure studies to pinpoint exact elements of the theory the empirical base and its application Current Sociology, 1989 Vols 1-4 contain v 1-4 of International bibliography of sociology **Digital Nomads Living on the Margins** Beverly Yuen Thompson, 2021-06-11 In this increasingly neoliberal gig economy exponentially expanding with technological advances the ability to work online remotely has led some western millennials to travel the world to work and play while making a subsistence living as digital platform workers **Homosexuality in International Perspective** Joseph Harry, Man Singh Das, 1980 Contributed papers The Sociology of Leisure John Robert Kelly, Geoffrey Godbey, 1992 Understanding Sport John Horne, Alan Tomlinson, Garry Whannel, 2005-10-10 Bringing a cultural and social dimension to the study of sport this introductory guide will help students

understand the context of sport and the place it has in the lives of individuals as well as in modern British society as a whole. Theoretically rigorous yet accessible, *Understanding Sport* includes up-to-date coverage of key socio-cultural issues, suggested further reading to expand students' understanding of the topics introduced, end-of-chapter essay topics and questions to help students consolidate their knowledge, extensive reference lists and a thematic index to direct students and lecturers toward further research materials.
