Sociology David M. Newman, 2018-07-26 This new Brief Sixth Edition of David Newman's text is the streamlined version of Sociology Exploring the Architecture of Everyday Life with the same goal to be a textbook that in the author's words reads like a real book Newman shows to see the unfamiliar in the familiar to step back and see organization and predictability in their take for granted personal experiences Newman uses the metaphors of architecture and construction to help students understand that society is not something that exists out there independently of themselves it is a human creation that is planned maintained or altered by individuals Instead of surveying every subfield in sociology this text focuses on the structural features of society the social construction of self and identity and social inequality in the context of social institutions The new edition includes examples and analysis of contemporary events and trends including The changes in our national politics brought about by the 2016 presidential election Increasing societal attention paid to fatal encounters between police and unarmed people of color or incidents of sexual harassment and assault School shootings and the debates over gun ownership The continued dramatic growth of communication technology particularly social networking sites

Sociology David M. Newman, 2010 This carefully edited companion anthology provides provocative eye opening examples of the practice of sociology in a well edited well designed and affordable format It includes short articles chapters and excerpts that examine common everyday experiences important social issues or distinct historical events that illustrate the relationship between the individual and society The new edition will provide more detail regarding the theory and or history related to each issue presented The revision will also include more coverage of global issues and world religions

Sociology David M.
