Sparrow and the Hawk Kyle Longley, 1997 During World War II and the immediate postwar era both the United States and Costa Rica experienced dramatic changes The United States assumed world leadership and the accompanying responsibilities Costa Rica encountered far reaching difficulties that culminated in civil war in 1948 and the rise to power of Jose Figueres

Non-Governmental Organizations and the State in Latin America Anthony Bebbington, Graham Thiele, 2023-06-16 This presents twenty specially commissioned case studies of farmer participatory approaches to agricultural innovation initiated by NGOs in Latin America Beginning with a broad review of institutional activity at the grassroots the authors set the case material within the context of NGO relations with the State and their contribution to democratisation and the consolidation of rural civil society Specific questions are raised how good bad are NGOs at promoting technological innovation and addressing constraints to change in present agriculture how effective are NGOs at strengthening grassroots organizations and how do will donor pressures influence NGOs and their links to the State This title is part of a series on Non Governmental Organizations co ordinated by the Overseas Development Institute To complete this comprehensive review and critique there are two other regional case study volumes on Asia and Africa and an overview volume Reluctant Partners

Environment Under Fire Daniel Faber, 1993

Education and Development in Central America and the Latin Caribbean D. Brent Edwards Jr., Mauro C.

Moschetti, Pauline Martin, Ricardo Morales-Ulloa, 2025-03-18 Rooted in an international political economy theoretical framework this book provides unique insights into the global forces and local responses that are shaping education systems in Central America and the Latin Caribbean CALC The book covers all Spanish speaking countries of the CALC region and examines the effects of macro economic pressures geopolitical intervention neo colonial relationships global pandemics transnational gang networks and the influence of international organizations Chapters analyse the challenges and opportunities these global forces present to education systems in the region as well as highlighting the local efforts to address mitigate and counteract them In doing so the book illuminates how education can contribute to either maintaining or challenging inequalities and exclusion in the face of pressures from the global to local levels Big Business and Economic Development Barbara Hogenboom, Alex E. Fernández Jilberto, 2006-12-21 Bringing together an international and multidisciplinary group of experts this is the first comprehensive volume to analyze conglomerates and economic groups in developing countries and transition economies Using sixteen in depth case studies it provides a comparative framework for the study of contemporary process of privatization economic and financial liberalization and neoliberal globalization Exploring the various causes and economic social and political effects of the rise of big business in Asia Latin America Africa and Eastern Europe the main issues that are examined include the nature of contemporary economic concentration the relations between local and external investors the impact on development and on economic and political control over its direction the new role of the state towards conglomerates and economics groups the effects of economic and political changes on the legitimacy of the state and large companies This volume is perfect as either a textbook or supplementary reading for students at all levels as well as researchers and governmental and non governmental professionals working and studying in the fields of international business and economic development **Compendium of U.S. Science and Technology Activities in Developing Countries** Academy for Educational Development, 1992 **Political Movements and Violence in Central America** Charles D. Brockett, 2005-02-21 This book offers an indepth analysis of the confrontation between popular movements and repressive regimes in Central America for the three decades beginning in 1960 particularly in El Salvador and Guatemala It examines both urban and rural groups as well as both nonviolent social movements and revolutionary movements It studies the impact of state violence on contentious political movements as well as defends the political process model for studying such movements **A.I.D. Research and Development Abstracts** ,1977 **Social Mobility in Developing Countries** Vegard Iversen, Anirudh Krishna, Kunal Sen, 2021-12-17 Social mobility is the hope of economic development and the mantra of a good society There are disagreements about what constitutes social mobility but there is broad agreement that people should have roughly equal chances of success regardless of their economic status at birth Concerns about rising inequality have engendered a renewed interest in social mobility especially in the developing

world However efforts to construct the databases and meet the standards required for conventional analyses of social mobility are at a preliminary stage and need to be complemented by innovative conceptual and methodological advances If forms of mobility have slowed in the West then we might be entering an age of rigid stratification with defined boundaries between the always haves and the never haves which does not augur well for social stability Social mobility research is ongoing with substantive findings in different disciplines typically with researchers in isolation from each other A key contribution of this book is the pulling together of the emerging streams of knowledge Generating policy relevant knowledge is a principal concern Three basic questions frame the study of diverse aspects of social mobility in the book How to assess the extent of social mobility in a given development context when the datasets by conventional measurement techniques are unavailable How to identify drivers and inhibitors of social mobility in particular developing country contexts How to acquire the knowledge required to design interventions to raise social mobility either by increasing upward mobility or by lowering downward mobility

A.I.D. Research and Development Abstracts United States. Agency for International Development,1989 *Social Research in Developing Countries* Martin Bulmer,Donald P. Warwick,1993 Delivers key information on social research methods in developing countries dealing with the particular problems of carrying out social surveys and censuses in the Third World
