**Women, the Family, and Policy** Esther Ngan-ling Chow, Catherine White Berheide, 1994-06-07 The authors highlight how structural circumstances in countries with various degrees of industrialization are associated with specific policies The analyses of women's experiences reveal the variety of ways in which private patriarchy in families combines with public patriarchy in economies and states to create a system of domination which subordinates women The authors detail how gender is constructed under specific political economic and cultural circumstances and seek to understand how state policies with differing sensitivities to women's issues have produced mixed outcomes for women and their families in the process of economic development

**The Dynamics of Global Dominance** David B. Abernethy, 2000-01-01 For centuries Europeans ruled vast portions of the world as inhabitants of west European countries sailed to distant continents and took possession of territories whose societies and economies they set out to change How and why did these farflung empires form persist and finally fall David Abernethy addresses these questions in this magisterial survey of the rise and decline of European overseas empires Abernethy identifies broad patterns across time and space interweaving them with fascinating details of cross cultural encounters He argues that relatively autonomous profit making religious and governmental institutions enabled west European countries to launch triple assaults on other societies Indigenous people also played a role in their eventual subjugation by inviting Europeans to intervene in their power struggles Abernethy finds that imperial decline was often the unanticipated result of wars among major powers Postwar crises over colonies unmet expectations empowered movements that eventually took territories as diverse as the thirteen British North American colonies Spain's South American possessions India the Dutch East Indies Vietnam and the Gold Coast to independence In advancing a theory of imperialism that includes European and non European actors and in analyzing economic social and cultural as well as political dimensions of empire Abernethy helps account for Europe's long occupation of global center stage He also sheds light on key features of today's postcolonial world and the legacies of empire concluding with an insightful approach to the moral evaluation of colonialism

**Feminist Judgments** Kathryn M. Stanchi, Linda L. Berger, Bridget J. Crawford, 2016-08-02 What would United States Supreme Court opinions look like if key decisions on gender issues were written with a feminist perspective Feminist Judgments brings together a group of scholars and lawyers to rewrite using feminist reasoning the most significant US Supreme Court cases on gender from the 1800s to the present day The twenty five opinions in this volume demonstrate that judges with feminist viewpoints could have changed the course of the law The rewritten decisions reveal that previously accepted judicial outcomes were not necessary or inevitable and demonstrate that feminist reasoning increases the judicial capacity for justice Feminist Judgments opens a path for a long overdue discussion of the real impact of judicial diversity on the law as well as the influence of perspective on judging

**Gender, Imperialism**

**and Global Exchanges** Stephan F. Miescher, Michele Mitchell, Naoko Shibusawa, 2015-05-06 Gender Imperialism and Global Exchanges presents a collection of original readings that address gendered dimensions of empire from a wide range of geographical and temporal settings Draws on original research on gender and empire in relation to labour commodities fashion politics mobility and visibility Includes coverage of gender issues from countries in Africa the Americas Europe and Asia between the eighteenth to twentieth centuries Highlights a range of transnational and transregional connections across the globe Features innovative gender analyses of the circulation of people ideas and cultural practices Politics at a Distance from the State Lucien van der Walt, Kirk Helliker, 2022-08-23 For decades most anti capitalist and anti imperialist movements identified radical transformation with capturing state power The collapse of these statist projects from the 1970s led to a global crisis of left and working class politics But crisis has also opened space for rediscovering alternative society centered anti capitalist modes of bottom up change operating at a distance from the state These have registered important successes in practice such as the Zapatistas in Mexico and Rojava in Syria They have been a key influence on movements from Occupy in United States to the landless in Latin America to anti austerity struggles in Europe and Asia to urban movements in Africa Their lineages include anarchism syndicalism autonomist Marxism philosophers like Alain Badiou and radical popular praxis This path breaking volume recovers this understanding of social transformation long side lined but now resurgent like a seed in the soil that keeps breaking through and growing It provides case studies with reference to South Africa and Zimbabwe and includes a dossier of key texts from a century of anarchists syndicalists insurgent unionists and anti apartheid activists in South Africa Originating in an African summit of radical academics struggle veterans and social movements the book includes a preface from John Holloway W.E.B. Du Bois Reiland Rabaka, 2017-05-15 Housed in one handy volume for the first time are several of the seminal essays on W E B Du Bois s contributions to sociology and critical social theory from Du Bois as inventor of sociology of race to Du Bois as the first sociologist of American religion from Du Bois as a pioneer of urban and rural sociology to Du Bois as innovator of sociology of gender and culture and finally from Du Bois as groundbreaking sociologist of education and critical criminologist to Du Bois as dialectical critic of the disciplinary decadence of sociology and the American academy What this volume offers that is wholly innovative and distinctive is that it brings together the watershed work of classical and contemporary male and female black and white national and international sociologists and social theorists with the express intent of creating critical inventories and thoroughly interrogating what has been included and what has been excluded when we come to W E B Du Bois s contributions to the discipline of sociology Unlike any other anthologies on Du Bois this volume offers an excellent overview of the critical commentary on arguably one of the most imaginative and innovative perceptive and prolific founders of the discipline of sociology It will therefore be of interest to scholars and students not just in sociology but also Africana studies American studies cultural studies ethnic studies gender studies and postcolonial studies as well as traditional disciplines such
