Socks On A Rooster:

Socks on a Rooster Richard B. McCaughan,1967 **Rooster Stories** Shannon Wetzel,John Wetzel,2016-08-31 This collection of stories was woven and spun from the fabric of our familys childhood As a bedtime ritual John told our young children nightly stories with main characters of their choice Our son always chose a rooster and our daughter chose a different item each night Using these two topics John would spontaneously create a fantasy story meant to spark imagination and occasionally teach a lesson or moral however some were just plain silly and had us all laughing in stitches and reminiscing about them for days Shannon secretly wrote down several stories and compiled them in a simple book which John received for Fathers Day one year long ago John was surprised and thrilled that his family had taken the time to commemorate his nightly creativity for posterity

Leander Perez, Boss of the Delta Glen Jeansonne,2006 Leander Perez 1891 1969 was more than simply another Neanderthal segregationist He was a political boss who held absolute power in Plaquemines Parish to an extent unsurpassed by any parish leader in Louisiana s history Leander Perez Boss of the Delta is his full history A bit of a social reformer a political figure of national stature an oil tycoon worth millions of dollars Perez was known to one and all including himself as the Judge although the office he held for most of his career was that of district attorney He got his political start in the early 1920s when Huey Long was beginning to attract statewide attention But even after Long was gunned down in 1935 the Judge continued to dominate life in the lower delta for thirty four years until he died from a heart attack in 1969 Above all Perez relished power and the essence of his might lay in his skill as a backroom broker and in his personal friendships with such idologues as J Strom Thurmond Ross Barnett Lester Maddox Orval Faubus and George Wallace his grip on the parish was partly economic and partly political and it was enforced by an iron will stronger than the will of any other man in the lower delta

Louisiana during World War II Jerry Purvis Sanson,2020-04-01 While the impact of World War II on America and other countries has been exhaustively chronicled few historians have investigated the experiences of individual states during the tumultuous war years In his study of Louisiana s home front from 1939 to 1945 Jerry Purvis Sanson examines changes in politics education agriculture industry and society that forever altered the Pelican State The war era was a particularly important time in Louisiana s colorful political history The gubernatorial victories of prominent anti Huey Long candidates Sam Jones in 1940 and Jimmie Davis in 1944 reflected shifting sentiments toward politicians and heralded a changing of the guard in the statehouse This created a system of active dual faction politics that continued for the next decade The war also transformed the state s economy agricultural mechanization accelerated to compensate for labor shortages and industries increased production to meet military demands Louisiana s educational system modified its curriculum in response to the war providing technical training and sponsoring scrap metal collections and war stamp sales drives Sanson explores the war s effect on the everyday lives of Louisianians showing how their actions at home provided them with a sense of personal participation in the titanic effort against the Axis powers He also points out

that while many found their lives limited by war two groups African Americans and women experienced increased opportunities as they moved from low paying jobs to more lucrative positions vacated by white males who had departed for the service Now condensed for easy and efficient access Sanson s historical account provides a wide ranging yet intimate look at how the war was brought home to the people of the Bayou State Moving the Chains Erin Grayson Sapp,2022-11-02 We remember the 1966 birth of the New Orleans Saints as a shady quid pro quo between the NFL commissioner and a Louisiana congressman Moving the Chains is the untold story of the athlete protest that necessitated this backroom deal as New Orleans scrambled to respond to a very public repudiation of the racist policies that governed the city In the decade that preceded the 1965 athlete walkout a reactionary backlash had swept through Louisiana bringing with it a host of new segregation laws and enough social strong arming to quash any complaints even from suffering sports promoters Nationwide protests had assailed the Tulane Green Wave the Sugar Bowl and the AFL s preseason stop offs and only legal loopholes and a lot of luck kept football alive in the city Still live it did and in January 1965 locals believed they were just a week away from landing their own pro franchise All they had to do was pack Tulane Stadium for the city s biggest audition yet the AFL All Star game Ultimately all fifty eight Black and white teammates walked out of the game to protest the town s lingering segregation practices and public abuse of Black players Following that love of the gridiron prompted and excused something out of sync with the city s branding change In less than two years the Big Easy made enough progress to pass a blitz inspection by Black and white NFL officials and receive the long desired expansion team The story of the athletes whose bravery led to change quickly fell by the wayside Locals framed desegregation efforts as proof that the town had been progressive and tolerant all along Furthermore when a handshake between Pete Rozelle and Hale Boggs gave America its first Super Bowl and New Orleans its own club the city proudly clung to that version of events never admitting the cleanup even took place As a result Moving the Chains is the first book to reveal the ramifications of the All Stars civil resistance and to detail the Saints true first win **Fifty Years to Midnight** Tom Lewis,2010-11-19 A TALE OF FORBIDDEN LOVE and VENGEFUL MURDER What could make a man return to a hometown where he had suffered so much boyhood disappointment and unfair treatment When Highway Patrol sergeant Dave Glosson sees one gruesome fatal accident too many he decides to return to that boyhood home to face down the ghosts of his past and start over The last thing he expects is to find there while rebuilding a life of calm bachelor contentment is the love of his life Erin Winstead a young woman of incredible beauty roams the town like a wild and canny animal fleecing tourists begging food and eliciting reactions from the townspeople ranging from pity amusement tolerance and sometimes disgust She is the town s joke an oddity they simply ignore mostly looking the other way But is Erin at worst insane or at best severely retarded In time Dave discovers she is neither Can she be rehabilitated and lead a normal life Will Dave s love for Erin lead to romance marriage and consummate happiness or facing execution on death row or both and VENGEFUL MURDER Aluminum Showers Noel F.

Words We Don't Say K. J. Reilly,2025-04-08 Joel Higgins has 901 unsent text messages saved on his phone Ever since the thing that happened there are certain people he hasn t been able to talk to in person Sure he shows up at school does his mandatory volunteer hours at the soup kitchen and spends pretty much every moment thinking about Eli the most amazing girl in the world But that doesn t mean he s keeping it together or even that he has any friends So instead of hanging out with people in real life he drafts text messages But he never presses send As dismal as sophomore year was for Joel he doesn t see how junior year will be any better For starters Eli doesn t know how he feels about her his best friend Andy s gone and he basically bombed the SATs But as Joel spends more time at the soup kitchen with Eli and Benj the new kid whose mouth seems to be unconnected to his brain he forms bonds with the people they serve there including a veteran they call Rooster and begins to understand that the world is bigger than his own pain In this dazzling hilarious and heartbreaking debut Joel grapples with the aftermath of a tragic loss as he tries to make sense of the problems he s sees all around him with the help of banned books Winnie the Pooh a field of asparagus and many pairs of socks **Fonville Winans' Louisiana** Cyril E.

for the vile act that she had done As they stood gazing at each other they felt that their spirits connected and each felt that energy passed from each other He turned and went on to catch a flight to his next destination The girl Joan Swift turned and ran to the nearest restroom to weep for what she had done Len hears the group call her Joan as she ran away but that is all he knows about her From his nametag she knows his name is Len Adams She leaves UCLA immediately and returns home to Houston Texas and enrolls in the University of Houston to finish her degree She begins searching for Len to apologize to him He has no idea how to search for her The army balks at giving her information about Len Although Len has a degree in mechanical engineering he does not feel that he is in any condition to be an engineer at this stage so he signs on with a high school friend who now has a custom harvest business harvesting grain all the way from Texas to the Canadian border Follow the trail of this couple as their spirits strive to reconnect
