Tali discovers a box full of maps letters and a gun _____ Readers love Operation Moonlight Beautifully written and researched this was a truly compelling read emotionally moving and with the perfect amount of jeopardy to keep me glued to the pages Goes beyond just another historical fiction tale of a woman in WWII to a real page turning literary account which was a pleasure to read This is a wonderful book very gripping with a slight hint of romance It was very well written totally absorbing and with a very authentic feel It s one that will be staying on my shelf Code Name Verity Elizabeth Wein,2020-05-26 The beloved 1 New York Times bestseller a fiendishly plotted New York Times heart in your mouth adventure Washington Post that will take wing and soar into your heart Laurie Halse Anderson October 11th 1943 A British spy plane crashes in Nazi occupied France Its pilot and passenger are best friends One of the girls has a chance at survival The other has lost the game before it s barely begun When Verity is arrested by the Gestapo she s sure she doesn t stand a chance As a secret agent captured in enemy territory she s living a spy s worst nightmare Her Nazi interrogators give her a simple choice reveal her mission or face a grisly execution As she intricately weaves her confession Verity uncovers her past how she became friends with the pilot Maddie and why she left Maddie in the wrecked fuselage of their plane On each new scrap of paper Verity battles for her life confronting her views on courage failure and her desperate hope to make it home But will trading her secrets be enough to save her from the enemy A universally acclaimed Michael L Printz Award Honor book Code Name Verity is a visceral read of danger resolve and survival that shows just how far true friends will go to save each other **Code Name Verity Collection** Elizabeth Wein,2021-04-20 Don t miss Elizabeth Wein s stunning new novel Stateless Discover all four critically acclaimed award winning novels set in the world of the 1 New York Times bestseller Code Name Verity In The Enigma Game fifteen year old Louisa Adair wants to fight back make a difference do something anything to escape the Blitz and the ghosts of her parents who were killed by enemy action But when she accepts a position in the small village of Windyedge Scotland it hardly seems like a meaningful contribution Still the war feels closer than ever in Windyedge where Ellen McEwen a volunteer driver with the Royal Air Force and Jamie Beaufort Stuart a flight leader for the 648 Squadron are facing a barrage of unbreakable code and enemy attacks they can t anticipate Their paths converge when a German pilot lands in Windyedge under mysterious circumstances and plants a key that leads Louisa to an unparalleled discovery an Enigma machine that translates German code Louisa Ellen and Jamie must work together to unravel a puzzle that could turn the tide of the war but doing so will put them directly in the cross hairs of the enemy In the 1 New York Times bestseller Code Name Verity a British spy plane crashes in Nazi occupied France on October 11th 1943 Its pilot and passenger are best friends One of the girls has a chance at survival The other has lost the game before it s barely begun When Verity is arrested by the Gestapo she s sure she doesn t stand a chance As a secret agent captured in enemy territory she s living a spy s worst nightmare Her Nazi interrogators give her a simple choice reveal her mission or face a grisly execution As she intricately weaves her confession Verity uncovers her past how she became friends with the pilot

Maddie and why she left Maddie in the wrecked fuselage of their plane On each new scrap of paper Verity battles for her life confronting her views on courage failure and her desperate hope to make it home But will trading her secrets be enough to save her from the enemy In *Rose Under Fire* American ATA pilot and amateur poet Rose Justice is captured by the Nazis while flying an Allied fighter plane from Paris to England She is sent to Ravensbruck the notorious women s concentration camp Trapped in horrific circumstances Rose finds hope in impossible circumstances through the loyalty bravery and friendship of her fellow prisoners But will that be enough to endure the fate that s in store for her In *The Pearl Thief* fifteen year old Julia Beaufort Stuart wakes up in the hospital instantly realizing that the lazy summer break she d imagined won t be exactly what she anticipated And once she returns to her grandfather s estate she begins to realize that her injury might not have been an accident One of her family s employees is missing and he disappeared on the very same day she landed in the hospital Desperate to figure out what happened she befriends Euan McEwen a Scottish Traveler boy and his standoffish sister Ellen As Julie grows closer to this family her memory of that fateful day returns to her in pieces And when a body is discovered her new friends are caught in the crosshairs of long held biases about Travelers and Julie must get to the bottom of the mystery in order to keep them from being framed for the crime

How to Become a Spy British Special Operations Executive, 2015-06-09 During World War II training in the black arts of covert operation was vital preparation for the ungentlemanly warfare waged by the Special Operations Executive SOE against Hitler s Germany and Tojo s Japan In the early years of the war the SOE set up top secret training schools to instruct prospective agents in the art of being a spy Soon there was an international network of schools in operation in secluded locations ranging from the Scottish Highlands to Singapore and Canada Reproduced here is one of the most comprehensive training syllabi used at SOE s Special Training Schools STSs instructing agents on how to wreak maximum havoc in occupied Europe and beyond A staggering array of unconventional skills are covered from burglary close combat and silent killing to utilizing propaganda surveillance and disguise giving an unprecedented insight into the workings of one of WWII s most intriguing organizations These files released from the British National Archive put covert history in readers hands Uncover an exciting little known part of WWII history and delve into the inner workings of a real spy network Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Resistance Halik Kochanski, 2022-05-24 WINNER OF THE 2023 WOLFSON HISTORY PRIZE New Yorker Best Books of 2022 This is the most comprehensive and best account of resistance I have read It addresses the story with scholarly objectivity and an absolute lack of sentimentality So much romantic twaddle is still published it is

marvelous to read a study of such breadth and depth which reaches balanced judgments Max Hastings The Sunday Times UK Resistance is the first book of its kind a monumental history that finally integrates the many resistance movements against Nazi hegemony in Europe into a single sweeping narrative of defiance To resist therefore But how when and where There were no laws no guidelines no precedents to show the way Dutch resister Herman Friedhoff In every country that fell to the Third Reich during the Second World War from France in the west to parts of the Soviet Union in the east a resistance movement against Nazi domination emerged And every country that endured occupation created its own fiercely nationalist account of the role of homegrown resistance in its eventual liberation Halik Kochanski s panoramic prodigiously researched work is a monumental achievement the first book to strip these disparate national histories of myth and nostalgia and to integrate them into a definitive chronicle of the underground war against the Nazis Bringing to light many powerful and often little known stories Resistance shows how small bands of individuals took actions that could lead not merely to their own deaths but to the liquidation of their families and their entire communities As Kochanski demonstrates most who joined up were not supermen and superwomen but ordinary people drawn from all walks of life who would not have been expected least of all by themselves to become heroes of any kind Kochanski also covers the sheer variety of resistance activities from the clandestine press assistance to Allied servicemen evading capture and the provision of intelligence to the Allies to the more violent manifestations of resistance through sabotage and armed insurrection For many people resistance was not an occupation or an identity but an activity a person would deliver a cache of stolen documents to armed partisans and then seamlessly return to their normal life For Jews under Nazi rule meanwhile the stakes at every point were life and death resistance was less about national restoration than about mere survival Why resist at all Who is the real enemy What kind of future are we risking our lives for These and other questions animated those who resisted With penetrating insight Kochanski reveals that the single quality that defined resistance across borders was resilience despite the constant arrests and executions resistance movements rebuilt themselves time and time again A landmark history that will endure for decades to come Resistance forces every reader to ask themselves yet another question this distinct to our own times What would I have done

Brighton Belle Sara Sheridan, 2016-03-29 After WWII a woman settles in a seaside town where her old intelligence skills come in surprisingly handy Great fun James Runcie author of the Grantchester mysteries In post World War II England former Secret Service operative Mirabelle Bevan becomes embroiled in a new kind of intrigue 1951 In the popular seaside town of Brighton it s time for Mirabelle Bevan to move beyond her tumultuous wartime years and start anew Accepting a job at a debt collection agency seems a step toward a more tranquil life But as she follows up on a routine loan to Romana Laszlo a pregnant Hungarian refugee who s recently come off the train from London Mirabelle s instincts for spotting deception are stirred when the woman is reported dead along with her unborn child After encountering a social climbing doctor with a sudden influx of wealth and Romana s sister who seems far from bereaved and doesn t sound Hungarian Mirabelle decides to

dig deeper into the suspicious circumstances surrounding the death Aided by her feisty sidekick a fellow office worker named Vesta Churchill no relation to Winston as she explains Mirabelle unravels a web of evil that stretches from the Brighton beachfront to the darkest corners of Europe Putting her own life at risk she must navigate a lethal labyrinth of lies and danger to expose the truth An entertaining series launch Mirabelle is indeed a lady even when she s climbing over back fences and knocking back whiskey Publishers Weekly

The Global Infrastructure of the Special Operations Executive Derwin Gregory,2021-12-23 During the Second World War the British government established the Special Operations Executive SOE for the purpose of coordinating all action by way of subversion and sabotage against the enemy overseas Although the overseas operations of this branch of the British Secret Services are relatively well known few studies have explored the backroom sections of this organisation This book draws together the infrastructure developed to support an agent s journey from recruitment to despatch to the field At the start of the Second World War there were few existing facilities established within the UK to support clandestine operations As the conflict progressed in parallel to learning the operational procedures of their trade SOE also had to rapidly expand their support infrastructure around the world The organisation could effectively support their agents only by establishing facilities dedicated to training research and development supply transportation communication and command and control By predominately focusing on the organisation s agent facing infrastructure this book provides a backdrop to the brave men and women who conducted operations abroad In addition it gives an overview of the facilities in which SOE s backroom staff lived and worked The book will be of interest to students and scholars of archaeology history and war studies

SOE Manual Great Britain. Special Operations Executive,2014-11-06 The actual course given to all secret agents in SOE before working behind enemy lines It includes everything you needed to know to go

undercover from documents cover stories and how to live off the land to how to get through an interrogation The Special Operations Executive SOE was a secret British World War II organisation formed in 1940 to conduct espionage sabotage and reconnaissance in occupied Europe against the Axis powers and to aid local resistance movements In late 1942 SOE was asked to increase the number of agents to aid the invasion of mainland Europe Part of agent training was tradecraft the practical details on how to be a clandestine agent behind enemy lines which every agent had to attend at various bases centred around Beaulieu in Hampshire The course was a set of lectures and this book contains the actual text of those lectures which were discovered in the National Archives this year It is not only a fascinating insight into the workings of one of the Second World Wars most famous and secretive organisations but is also a reminder of the huge danger anyone being dropped behind enemy lines had to face
