Andrew Durham, *Set Pictures Behind the Scenes with Sofia Coppola* (University of Michigan Press, 2018-02-11). **Sofia Coppola**, Fiona Handyside, 2017-01-29. She has received numerous accolades, including an Academy Award and two Golden Globes, and in 2004 became the first ever American woman to be nominated for a Best Director Oscar. From *The Virgin Suicides* to *The Bling Ring*, her work carves out new spaces for the expression of female subjectivity that embraces rather than rejects femininity. Fiona Handyside here considers the careful counterbalance of vulnerability with the possibilities and pleasures of being female in Coppola's films, albeit for the white and the privileged, through their recurrent themes of girlhood, fame, power, sex, and celebrity. Chapters reveal a post-feminist aesthetic that offers sustained intimate engagements with female characters. These characters inhabit luminous worlds of girlish adornments, light, and sparkle, and yet find homes in unexpected places, from hotels to swimming pools, palaces to strip clubs, resisting stereotypes and the ordinary. In this original study, Handyside brings critical attention to a rare female auteur and, in so doing, contributes to important analyses of post-feminism, authorship in film, and the growing field of girlhood studies.

Sofia Coppola, Hannah Strong, 2022-05-17. An illustrated critical survey of Academy Award-winning writer and director Sofia Coppola's career, covering everything from her groundbreaking music videos through her latest films. In the two decades since her first feature film was released, Sofia Coppola has created a tonally diverse, meticulously crafted, and unapologetically hyperfeminine aesthetic across a wide range of multimedia work. Her films explore untenable relationships and the euphoria and heartbreak these entail, and Coppola develops these themes deftly and with discernment across her movies and music videos. From *The Virgin Suicides* and *Marie Antoinette* to *Lost in Translation* and *The Beguiled*, Coppola's award-nominated filmography is also unique in how its consistent visual aesthetic is informed by and in conversation with contemporary fine art and photography. Sofia Coppola offers a rich and intimate look at the overarching stylistic and thematic components of Coppola's work. In addition to critical essays about Coppola's filmography, the book will include interviews with some of her closest collaborators, including musician Jean-Benoît Dunckel and costume designer Nancy Steiner, along with a foreword by Italian filmmaker Alice Rohrwacher. It engages with her creative output while celebrating her talent as an imagemaker and storyteller. Along the way

readers meet again a cast of characters mired in the ennui of missed connections loneliness frustrated creativity rebellious adolescence and the double edged knife of celebrity all captured by the emotional intimate power of the female gaze
