Soft Warm Rain Roberta Latow,1986-01 *Dublin journal of medical science* ,1895 **The Fifth Reader** Edward Austin Sheldon,1875 **A Small and Distant Galaxy: The Fourth Quadrant** Susannah Israel,2023-07-21 After many years lost in space very far from Earth human explorers arrive in an unknown galaxy and settle in an uninhabited corner of it We find the human colonists divided and living on different planets over five hundred years later A young farmer and his telepathic animal friend team up with a bioengineered detective to retrace their hidden history venturing into the remotest part of the galaxy against all advice They find unexpected answers on an ancient world under a dying red sun but the greatest challenge remains how to heal the splintered cultures and reunite the xenophobic colonists after so many centuries of separation **The Three Sisters** Rebecca Locksley,Jane Routley,2018-09-01 Three Tari Sisters estranged from the Society they are destined to save Elena more beautiful than any man can resist is kidnapped her destiny controlled by the men who desire her Yani warrior woman brave strong able to pass as a man who will do anything to find Elena Marigoth powerful female mage determined to never grow up equally determined to find her missing sister In a country oppressed and cruelly ruled the fate of many people lies in the unsuspecting hands of these three women **Atlantic Monthly** ,1888 *The Atlantic Monthly* ,1888 **Multidimensional Man** Jurgen Ziewe,2008-08 Leading a highly demanding professional life Jurgen Ziewe compensated by practicing intensive meditation to gain balance and spiritual inspiration He soon discovered there was more to life when he was catapulted out of his body into a parallel universe For nearly forty years he kept a secret diary detailing his excursions which reveal a fascinating alternate reality that awaits us once we leave our mortal bodies The author discovered a multidimensional universe which he could step into in full waking consciousness He returned each time with breath taking accounts of a world which forms not only the natural extension but the foundation of our physical universe Jurgen Ziewe gives vivid and compelling accounts of meeting his deceased relatives of interviewing the dead and even of accompanying himself in a previous life He describes with the zest of a travel journalist some of the mind bending places he has visited and recalls the excitement of unearthing the magical powers found there **Hiroshima in the Morning** Rahna Reiko Rizzuto,2010-09-14 The award winning author of *Shadow Child* embarks on a simple journey to record history that changes her life as a wife and mother In June 2001 Rahna Reiko Rizzuto went to Hiroshima Japan in search of a deeper understanding of her war torn heritage She planned to spend six months there interviewing the few remaining survivors of the atomic bomb A mother of two young boys she was encouraged to go by her husband who quickly became disenchanted by her absence It is her first solo life adventure immediately exhilarating for her but her research starts off badly Interviews with the hibakusha feel rehearsed and the survivors reveal little beyond published accounts Then the attacks on September 11 change everything The survivors carefully constructed memories are shattered causing them to relive their agonizing experiences and to open up to Rizzuto in astonishing ways Separated from family and country while the world seems to fall

apart Rizzuto's marriage begins to crumble as she wrestles with her ambivalence about being a wife and mother Woven into the story of her own awakening are the stories of Hiroshima in the survivors' own words The parallel narratives explore the role of memory in our lives and show how memory is not history but a story we tell ourselves to explain who we are 2010 FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD A brave, compassionate and heart wrenching memoir of one woman's quest to redeem the past while learning to live fully in the present Kate Moses author of *Wintering* This searing and redemptive memoir is an explosive account of motherhood reconstructed Ayelet Waldman author of *Red Hook Road* **The Yale Literary Magazine**, 1889 The Harvest of a Quiet Eye. Leisure Thoughts for Busy Lives John R. Vernon, 1867

The Harvest of a Quiet Eye John Richard Vernon, 2017-06-23 These papers written in the intervals of parish work have appeared in the pages of the Leisure Hour and the Sunday at Home Their publication in a collected form having been decided upon by others it only remained for me by careful revision and excision to render them as little unworthy as might be of starting for themselves in the wide world I shall not say that I am sorry that they are thus sent forth on their humble mission Indeed I am glad Brief life is here our portion and surely the wish is one natural to all earnest hearts that our work for our Master in this sad and sinful world should not have its term together with the quick ending of our short day's labour here and a book has the possibility of a longer life than that of a man The Night cometh when none can work how sweet if it might be that when the day is ended when the warfare for us is over we may have left some strong watchwords or some comfortable and cheering utterances still ringing in the ears of those who stepped into our place in the unbroken ranks Yes the evening soon falls on the field the day is brief nor fully employed inanimate things seem to have an advantage over us streams flow on and mountains stand While we the brave the mighty and the wise We men who in our morn of youth defied The elements must vanish be it so Enough if something from our hands have power To live and act and serve the future hour And I may be permitted to hope that possibly these meditations may have such power and perform such service in their modest way They have but the ambition of a flower that looks up to cheer or a bird's note that tranquilly amid storms continues a simple melody from the heart of its tree They will like these be easily passed by but like these may have a message for hearts that will look and listen **Life's Little Wonders** Devon Teague, 2019-10-07 A book of poetry and prose to fit everyday life Caution it may enhance your mood Something for everyone Will paint pictures in your mind and leave you breathless **Healed by Horses** Carole Fletcher, 2011-02-22 Carole Fletcher's story opens on a November morning in 1975 She began this day as a striking young teacher in a happy relationship a horse lover and car enthusiast ultimately a young woman eager for what lay ahead But a gasoline explosion changed all that leaving her with second and third degree burns over sixty five percent of her body At day's end surgeons warned she had a one in ten chance of surviving the night and that even if she did it would be more than likely she would never walk again let alone ride a horse Carole surprised everyone her family her doctors even herself After seven months in the hospital and twenty eight skin graft surgeries she began to ride her

beloved horse Bailey Thanks to the therapeutic nature of riding she slowly regained almost full use of her legs And though more surgery and almost four years of rehabilitation would follow Carole eventually plunged into the world of performance with a clever trick horse named Dial Carole Fletcher tells an inspiring and eloquent story of recovery and rebirth Healed by Horses offers a compelling account of one woman s uncommon courage and perseverance and illustrates the extraordinary connection possible between humans and horses and how that bond can restore motivate and heal **The Pacific** ,1902
