Yoke,1987-11-13 This interesting and unusual collection of essays explores the post holocaust theme as it has been treated in science fiction and fantasy literature Seen in a positive mode this theme offers a powerful metaphor for exploring man s relationship to his social structure The post holocaust motif the editor contends literally permits the exploration of many sub topics such as rebirth social patterns evolution devolution entropy history ecology ethics medicine personal values and so on      **The Angel** Marjorie Lund-Fontaine,2016-12-30 The Angel was written as a fairytale but contains elements of truth in the way God may possibly use angels in people s daily lives This idea comes directly from scripture as written throughout the Bible in which angels appeared to people prophets and animals In this tale the angel and animals are able to speak to one another and conversations flow freely The book traces the activities of Dionysius an angel as he orchestrates the lives of those God entrusts to him The story begins by explaining who Dionysius is and commences with the peculiar way in which he meets the main characters His somewhat humorous encounter with Hercules the large shire horse and Phinehas the mastiff dog takes place on a farm belonging to old Ma Bond After questioning the animals Dionysius finds the old lady and her granddaughter little Rosie are living in very dire circumstances The angel seeing the predicament takes charge After receiving instructions from God he begins to arrange events to benefit Rosie who is soon unfortunately orphaned by her grandmother s demise her parents being deceased The story details the incidents after her grandmother s death introducing two more very important characters a husband and wife Sam and Beverly Harris who have been praying for a child As the tale progresses more characters enter who help the little girl Having no family alive and nowhere to call home Rosie is forced to stay at the local orphanage where she makes friends During this time a terrible fire disrupts life at the orphanage Will Rosie find a new home and will Sam and Beverly get the child they have been praying for or will the difficulties be too great Throughout the book horses dogs and cats play an important role alongside the people and the

mastiff Phinehas remains Rosie's faithful companion and guardian The angel Dionysius plays a vital role in everyone's lives weaving in and out of the story at intervals following God's instructions The book concentrates on love healing and forgiveness repentance and the salvation message as explained in the Bible in the gospel of John Chapter 3 where Jesus explains unless one is born again he cannot see the kingdom of God **Butoh Dance Training** Juju Alishina,2015-07-21 Drawing on avant garde and classical Japanese dance traditions the Alishina Method offers a systematized approach to Butoh dance training for the first time in its history With practical instruction and fully illustrated exercises this book teaches readers basic body training and expression exercises exercises to cultivate Qi energy and to aid improvisation about katas forms and how to develop your own the importance of voice sound and music in Butoh to collaborate and be in harmony with others techniques to manipulate time and space how to develop the imagination and refine the senses to enrich performance This authentic approach to Japanese dance will be compelling reading for anyone interested in contemporary dance performance arts Japanese culture or personal development techniques **The Shadow Hunter** Pat Murphy,2014-04-15 A time travel adventure from the Nebula Award winning author Murphy's blend of fantasy and reality honorably recalls the novels of Margaret Atwood Publishers Weekly For generations the people of the valley have hunted the bear killing it to draw on its mystical power On his first hunt a young member of the tribe pursues the bear through the wilderness Moments before their battle begins the boy plunges into darkness and awakes in a world beyond his wildest imagination where nature is corrupted and the boundaries of time mean nothing at all The researchers who brought him into the future call the Neanderthal boy Sam The portal he fell through is the plaything of a billionaire intent on repopulating the world of its many extinct animals birds wolves and bears Sam was brought along by accident but he will find a purpose in these alien surroundings Guided by one woman who can see the past and another who can look into the future the boy who hunted the bear will unlock the mysteries of time itself **Fantasy Newsletter** ,1982 **Book Review Index** ,1984 Every 3rd issue is a quarterly cumulation **The Apocalypse of Silence** William P. goes further and demonstrates the enduring capacity of Zimbabweans to find humour in even the most difficult of circumstances. The stories embrace funerals, dancing competitions, family tensions, rampant inflation and endless queues for scarce goods. They take a wry look at pompous politicians, foreign filmmakers and the aspirations of the so-called new farmers. Those by Gappah, Chingono and Eppel won the first three prizes in the recent Mukuru.com short story competition. Zimbabwean fiction in English has become world renowned in recent decades but its concerns war trauma and the trials of independence have chronicled the pain of those periods. *Laughing Now* suggests that we are finding new ways to reflect our reality that however many zeros we add to the rate of inflation and however hungry we may become, humour is as good a response as any. *Science Fiction Book Review Index* H. W. Hall, 1975
