Soho Past:

Soho Past Richard Tames, 1994 **London, Past and Present** Henry Benjamin Wheatley, 1891 Based upon the Handbook of London by the late Peter Cunningham *NYC: A City That Stays Up Way Past its Bedtime* 6th graders NEST+M, 2015-06-10 In this book student authors share some of their favorite spaces and places in the city that never sleeps NYC These experienced New Yorkers offer readers their opinions and perspectives of where to find a delicious bite to eat the best places for entertainment culture and so much more While NYC is one of the largest cities in the world these authors will help guide to hidden gems you can't find in any ordinary guidebook London Past and Present Henry Benjamin Wheatley, Peter Cunningham, 2011-02-24 This fascinating topographical dictionary of London published in 1891 provides a valuable record of many places now lost to development **Nights Out** Judith Walkowitz, 2012-05-15 London's Soho district underwent a spectacular transformation between the late Victorian era and the end of the Second World War its old buildings and dark streets infamous for sex crime political disloyalty and ethnic diversity became a center of culinary and cultural tourism servicing patrons of nearby shops and theaters Indulgences for the privileged and the upwardly mobile edged a dangerous transgressive space imagined to be outside the nation Treating Soho as exceptional but also representative of London's urban transformation Judith Walkowitz shows how the area's foreignness and porousness were key to the explosion of culture and development of modernity in the first half of the twentieth century She draws on a vast and unusual range of sources to stitch together a rich patchwork quilt of vivid stories and unforgettable characters revealing how Soho became a showcase for a new cosmopolitan identity Slang and Its Analogues Past and Present: Ice to Hyps John Stephen Farmer, 1896 Slang and Its Analogues Past and Present John Stephen Farmer, 1896 Old and New London: a Narrative of Its History, Its People, and Its Places ...: Westminster and the western suburbs Walter Thornbury, 1890 Historic Streets and Squares Melanie Backe-Hansen, 2013-11-01 In this picturesque exploration of Britain's constructed landscape an array of medieval lanes Georgian crescents and Victorian squares make an appearance together with the people famous infamous and unfamiliar who designed built and lived in them From Bedford Square and Portobello Road in London through to Grey Street in Newcastle and Charlotte Square in Edinburgh *Historic Streets and Squares* takes you over the doorstep of some of the country's most familiar addresses Melanie Backe Hansen takes us beyond the facades delving into the evolution of ancient streets the aspirations of builders and architects and the extraordinary lives of past residents She also reveals the fascinating stories of how some of our oldest and most valued crescents lanes and avenues have survived into the twenty first century and the twists and turns of their journey along the way Taken together these fifty examples tell us much about Britain's urban development over the centuries while also highlighting more recent attempts to preserve our architectural heritage The history of our streets avenues lanes and squares reveals more than just changes to architectural style but offers a doorway into the heritage of our nation Chamber's Journal of Popular

Literature, Science and Arts ,1896 The History of the Squares of London Edwin Beresford Chancellor,1907 *Sex, Time and Place* Simon Avery,Katherine M. Graham,2016-10-06 Sex Time and Place extensively widens the scope of what we might mean by queer London studies Incorporating multidisciplinary perspectives including social history cultural geography visual culture literary representation ethnography and social studies this collection asks new questions widens debates and opens new subject terrain Featuring essays from an international range of established scholars and emergent voices the collection is a timely contribution to this growing field Its essays cover topics such as activist and radical communities and groups AIDS and the city art and literature digital archives and technology drag and performativity lesbian Londons notions of bohemianism and deviancy sex reform and research and queer Black history Going further than the existing literature on Queer London which focuses principally on the experiences of white gay men in a limited time frame Sex Time and Place reflects the current state of this growing and important field of study It will be of great value to scholars students and general readers who have an interest in queer history London studies cultural geography visual cultures and literary criticism *Japan Extolled and Decried* C.P. Thunberg,2012-11-12 This edition makes available once again Thunberg s extraordinary writings on Japan complete with illustrations a full introduction and annotations Carl Peter Thunberg pupil and successor of Linnaeus of the great fathers of modern science spent eighteen fascinating months in the notoriously inaccessible Japan in 1775 1776 and this is his story Thunberg studied at Uppsala University in Sweden where he was a favourite student of the great Linnaeus father of modern scientific classification He determined to travel the world and enlisted as a physician with the Dutch East India Company He arrived in Japan in the summer of 1775 and stayed for eighteen months He observed Japan widely and travelled to Edo modern Tokyo where he became friends with the shogun s private physician Katsuragawa Hosh a fine Scholar and a notorious rake They maintained a correspondence even after Thunberg had returned to his homeland Thunberg s Travels appeared in English in 1795 and until now has never been reprinted Fully annotated and introduced by Timon Screech **Old and New Birmingham** Robert Kirkup Dent,1880 Pictorial records of remarkable events in the history of the world World,1884 *Ragged London* Michael Fitzgerald,Michael FitzGerald,2011-07-31 Ragged London describes life in the rookeries of London where forty people would live together in one room Although life was a constant struggle against famine disease and violence the people enjoyed a closeness that was moer than the result of overcrowding Their lives were lived entirely within the mean streets of their little corner of London They were born and raised within the rookeries earned their meagre living there enjoyed life as best they could dressed in the latest fashion got married had children died and were buried there The lack of cooking facilities led to them inventing the takeaway and there was absolutely no sanitation In the poorest district of all St Giles only a single water pump serviced the entire population It was a closed world although the population explosion of nineteenth century London led to millions of new arrivals in the already congested rookery districts The areas were lawless to a degree that dwarfs

contemporary concerns about crime Though life as cheap in the rookeries they produced some of the best soldiers and sailors in the British armed forces Placing London John Eade,2001-06-01 London continues to fascinate a vast audience across the world and an extensive diverse literature now exists describing and analyzing this metropolis The central question what is London has produced many answers but none of them the author argues uncovers the complex ways in which knowledge is constructed in the diverse attempts to represent places and people On the contrary a gulf has opened up between analysis of contemporary London as a global postcolonial city on the one hand and historical accounts of the imperial capital on the other The author shows how the gap can be bridged by combining an analysis of the representation over time by various experts of London and certain localities with an investigation of the ways in which residents have represented their communities through struggles over symbolic and material resources The Look of Love Paul Willetts,2013-04-04 For almost forty years Paul Raymond was one Britain s most scandalous celebrities Best known as the owner of the world famous Raymond Revuebar he was a successful theatre impresario property magnate and porn baron With his pencil moustache gold jewellery and taste for showgirls Raymond was both the brash personification of nouveau riche vulgarity and exemplar of the entrepreneurial spirit that enabled a poor boy from Liverpool to become Britain s richest man Like 24 Hour Party People we want to capture the life of an extraordinary man living in extraordinary times Steve Coogan Cultures of Consumption Frank Mort,2013-04-15 Examines the construction of images of masculinity and the effect they have on identity sexuality and sexual politics Influences from black and white culture are explored as well as the ironies of class colour and sexuality
