Callahan,2011-09-14 The genius of Paul is evident in chapter 2 of his Letter to the Ephesians However more importantly two truths are revealed through a closer examination of his presentation First is the realization that Paul listens contemplates and abides by the words of his Savior and ours in presenting the truths revealed to him This was the result of Paul relinquishing the mantle of self centeredness and replacing it with the crown of Christ centeredness This became his guiding light through the tests trials and tribulations

of walking with Jesus Second there is the recognition of Paul s love for and commitment to professing Christians whether they be babes in the faith adolescents or maturing adults He realized they had been or would be confronted by the desires of the flesh and of the mind during their life s journey He wanted them to know the living Christ This chapter is pivotal to understanding God s mercy and grace as well as our need for His spiritual blessings When we accept the Lord Jesus invitation to follow Him in His commands and teachings we will know the joy of a right relationship with the glorious Father reconciliation through Christ praying through the Holy Spirit and God s Foundation built on the apostles and prophets
