SOLICITOR GENERAL

Solicitor General

Rebecca Salokar

Solicitor General:

The Solicitor General Rebecca Salokar, 1994-07 A frequently overlooked institution of American politics the Office of the Solicitor General is responsible for all litigation before the U S Supreme Court on behalf of the executive branch In carrying out this task the solicitor general is also an advisor to the justices and a gatekeeper controlling a large portion of litigation that reaches the Court s docket Rebecca Salokar studies this office and shows that with the increased politicization of the Justice Department the work of the nation s lawyer is an integral component of executive policy making Paying particular attention to the selection of solicitors general and the political and legal environment in which they functioned Salokar analyzes all Supreme Court cases in which the government was a participant from 1959 through 1986 Her interviews with several former solicitors general and members of their staffs provide contextual examples to support the statistical analyses She demonstrates that this office can and does shape policy questions for the United States While the relationship between the judicial and executive branches has been defined traditionally through the nomination of justices to the Court Salokar reveals that another more frequently used link between the two branches exists in the Office of the Solicitor General Author note Rebecca Mae Salokar is Associate Professor of Political Science at Florida International University *The Role of the Solicitor-General* Gabrielle Appleby, 2016-06-16 Behind every government there is an impressive team of hard working lawyers In Australia the Solicitor General leads that team A former Attorney General once said The Solicitor General is next to the High Court and God And yet the role of government lawyers in Australia and specifically the Solicitor General as the most senior of government lawyers is under theorised and under studied *The Role of the Solicitor General Negotiating Law Politics and the Public Interest* goes behind the scenes of government drawing from interviews with over 45 government and judicial officials to uncover the history theory and practice of the Australian Solicitor General The analysis reveals a role that is of fundamental constitutional importance to ensuring both the legality and the integrity of government action thus contributing to the achievement of rule of law ideals The Solicitor General also works to defend government action and prosecute government policies in the court and thus performs an important role as messenger between the political and judicial branches of government But the Solicitor General s position as both an internal integrity check on government and an external warrior for government gives rise to competing pressures between the law politics and the public interest The office of the Solicitor General in Australia has evolved many characteristics across the almost two centuries of its history in an attempt to navigate these tensions These pressures are not unique to the Australian context The understanding of the Australian position provided by this book is informed by and will inform comparative analysis of the role of government lawyers across the world *Solicitor General's Office* United States. Congress. House. Committee on the Judiciary. Subcommittee on Monopolies and Commercial Law, 1988 **The Work of the Office of the Solicitor General of the United States** Philip Benjamin Perlman, 1949 Solicitor General Oversight United States. The Tenth Justice Lincoln Caplan,1987 *The Constitutional Legitimacy of Law Officers in the United Kingdom* Conor McCormick,2022-07-14 This book provides a detailed account of each law officer s functions and draws on that account as the basis for a conceptual analysis of their constitutional legitimacy In recent years the constitutional legitimacy of law officers has been questioned repeatedly because of recurring controversies surrounding the discharge of their varied functions Indeed it has become increasingly clear that those functions enable law officers to play a highly influential part in the regulation and exercise of public power throughout the United Kingdom McCormick argues that the most persuasive framework for analysing the offices which make up this diverse regime involves concentrating on the constitutional values of independence accountability and trust which underpin it Both aspects of the book namely the explanation of individual functions and the conceptual analysis of collective legitimacy are written in a holistic way which encompasses critical analyses about the Attorney General and Solicitor General for England and Wales the Counsel General for Wales the Lord Advocate Solicitor General and Advocate General for Scotland as well as the Attorney General and Advocate General for Northern Ireland **Forbidden Acts** Ben Hodges,2003-09-01 Applause Theatre Lillian Hellman s classic *The Children s Hour* 1933 initially banned in London and passed over for the Pulitzer Prize because of its subject matter and Oscar Wilde 1938 by Leslie and Sewell Stokes a major award winning success that starred Robert Morley More recent plays include Mart Crowley s *The Boys in the Band* 1968 the first hit out gay play that was the most realistic and groundbreaking portrayal of gays on stage up to that time Martin Sherman s *Bent* 1978 which daringly focused on the love between two Nazi concentration camp inmates and starred Richard Gere William Hoffman s *As Is* 1985 which was one of the first plays to deal with the AIDS crisis and earned three Tony Award nominations and Terrence McNally s *Love Valour Compassion* 1994 which starred Nathan Lane and won the Tony Award for Best Play The other plays are Edouard Bourdet s *The Captive* 1926 Ruth and Augustus Goetz s *The Immoralist* 1954 and Frank Marcus *The Killing of Sister George* 1967 *Forbidden Acts* includes a broad range of theatrical genres drama tragedy romance comedy and farce They remain vibrant and relevant today as a

testament of art's ability to persevere in the face of oppression [The Constrained Court](#) Michael A. Bailey, Forrest Maltzman, 2011-08-22 How do Supreme Court justices decide their cases? Do they follow their policy preferences? Or are they constrained by the law and by other political actors? *The Constrained Court* combines new theoretical insights and extensive data analysis to show that law and politics together shape the behavior of justices on the Supreme Court. Michael Bailey and Forrest Maltzman show how two types of constraints have influenced the decision making of the modern Court. First, Bailey and Maltzman document that important legal doctrines such as respect for precedents have influenced every justice since 1950. The authors find considerable variation in how these doctrines affect each justice, variation due in part to the differing experiences justices have brought to the bench. Second, Bailey and Maltzman show that justices are constrained by political factors. Justices are not isolated from what happens in the legislative and executive branches and instead respond in predictable ways to changes in the preferences of Congress and the president. *The Constrained Court* shatters the myth that justices are unconstrained actors who pursue their personal policy preferences at all costs. By showing how law and politics interact in the construction of American law, this book sheds new light on the unique role that the Supreme Court plays in the constitutional order.

[The Supreme Court A to Z](#) Kenneth Jost, 2012-03-14 *The Supreme Court A to Z* offers accessible information about the Supreme Court, including its history, traditions, organization, dynamics, and personalities. The entries in *The Supreme Court A to Z* are arranged alphabetically and are extensively cross-referenced to related information. This volume also has a detailed index, reference materials on Supreme Court nominations, a seat chart of the justices, the U.S. Constitution, online sources of decisions, and a bibliography to help simplify research. The fifth edition of *The Supreme Court A to Z* has been thoroughly updated to incorporate coverage of significant new cases and recent changes on the bench and includes more than 350 alphabetized entries. Presented in an engaging, reader-friendly design, this edition includes biographies of recently appointed Associate Justices Elena Kagan and Sonia Sotomayor, plus revised biographies for recently retired Associate Justices David Souter and John Paul Stevens. Updated entries on key issues and concepts include abortion, campaigns and elections, civil rights, class action, due process, freedom of the press, reapportionment and redistricting, school desegregation, and war powers. A new entry on media and the Court highlights the Court's online presence. New feature boxes on 2011 decisions, updated seat charts of the justices, online sources for finding decisions, and a selected bibliography. An appendix with historic milestones of the Court. *The Supreme Court A to Z* is part of CQ Press's five-volume *American Government A to Z* series. The series is useful to anyone who has an interest in national government and politics.

Judicial Process in America Robert A. Carp, Kenneth L. Manning, Lisa M. Holmes, Jennifer Bowie, 2025-01-30 *Judicial Process in America*, Thirteenth Edition, by Robert Carp, Kenneth Manning, Lisa Holmes, and Jennifer Bowie is a market-leading and comprehensive textbook for both academic and general audiences. The book explains the link between the courts, public policy, and the political environment. Considering the courts from every level, the authors cover judges, lawyers, litigants, and

the variables at play in the judicial decision making process the impact of those decisions on American citizens and what the consequences are for the United States today

The Nomination of Elena Kagan to be an Associate Justice of the Supreme Court of the United States United States. Congress. Senate. Committee on the Judiciary,2010

Answering the Call of the Court Vanessa A. Baird,2008-08-13 The U S Supreme Court is the quintessential example of a court that expanded its agenda into policy areas that were once reserved for legislatures Yet scholars know very little about what causes attention to various policy areas to ebb and flow on the Supreme Court s agenda Vanessa A Baird s Answering the Call of the Court How Justices and Litigants Set the Supreme Court Agenda represents the first scholarly attempt to connect justices priorities litigants strategies and aggregate policy outputs of the U S Supreme Court Most previous studies on the Supreme Court s agenda examine case selection but Baird demonstrates that the agenda setting process begins long before justices choose which cases they will hear When justices signal their interest in a particular policy area litigants respond by sponsoring well crafted cases in those policy areas Approximately four to five years later the Supreme Court s agenda in those areas expands with cases that are comparatively more politically important and divisive than other cases the Court hears From issues of discrimination and free expression to welfare policy from immigration to economic regulation strategic supporters of litigation pay attention to the goals of Supreme Court justices and bring cases they can use to achieve those goals Since policy making in courts is iterative multiple well crafted cases are needed for courts to make comprehensive policy Baird argues that judicial policy making power depends on the actions of policy entrepreneurs or other litigants who systematically respond to the priorities and preferences of Supreme Court justices
