Solitary Places:

In Lonely Places Imogen Sara Smith, 2014-01-10 Although film noir is traditionally associated with the mean streets of the Dark City this volume explores the genre from a new angle focusing on non urban settings Through detailed readings of more than 100 films set in suburbs small towns on the road in the desert borderlands and the vast empty West the author investigates the alienation expressed by film noir pinpointing its motivation in the conflict between desires for escape autonomy and freedom and fears of loneliness exile and dissolution Through such films as *Out of the Past* *They Live by Night* and *A Touch of Evil* this critical study examines how film noir reflected radical changes in the physical and social landscapes of postwar America defining the genre's contribution to the eternal debate between the values of individualism and community

Creating Sacred Places in First Century Corinth Alisha N. Paddock, 2025-06-29 This book applies spatial theories from human and cultural geography to the archaeological remains of Ancient Corinth in order to consider how sacred places could have been created in the first century Building on Philip Sheldrake's theory among others the book defines sacred place as a space with significance Significance is found in the group's spiritual history their identity and the proper behaviours required to keep the group remaining a group The book further argues that if any of these elements of place are not recognized nor upheld the group risks becoming placeless

Solitude and the Manifestations of the Solitary Characters in Selected Short Stories: An Interdisciplinary Study Najat Ismael Sayakhan, 2024-07-02 Solitude is the state of being alone or isolated from others It is often a voluntary choice for meditation introspection reflection or simply enjoying one's own company Solitude can be peaceful and conducive to deep thinking or creativity contrasting with loneliness which implies a negative feeling of being alone and disconnected This book investigates the types of solitude in twelve modern short stories written by authors of different nationalities races and genders It also explores how the setting boosts the state of solitude of each character There are different manifestations of solitude and the solitary character a person living among other people refusing to be part of them unwilling to be part of them or being refused and rejected to be part of them This character is a child a teenager a man or an abnormal freakish man or a woman of sorrow a recipient of much unbearable pain

A Guide to the Thirty-Seven Practices of a Bodhisattva Ngawang Tenzin Norbu, 2020-08-11 A fresh translation and commentary to Tibet's most famous text on living like a bodhisattva Who are bodhisattvas and what do they practice In the fourteenth century the Tibetan Buddhist master Gyalse Tokm Zangpo answered these questions in a now classic teaching called the Thirty Seven Practices of a Bodhisattva This text consisting of inspiring verses distilling the entire Mahayana path of compassion continues to inspire modern day Buddhist masters including His Holiness the Dalai Lama One of the most important commentaries on the Thirty Seven Practices is by the twentieth century master Dzatrul Ngawang Tenzin Norbu known as the Buddha of Dza Rongphu and is translated here along with associated meditation instructions for the first time Dzogchen Ponlop Rinpoche who requested this translation by Christopher Stagg provides an informative

The Works ... Jonathan Edwards,1851 **The Works of President Edwards ...** Jonathan Edwards,1844 **A Treatise Concerning Religious Affections** Jonathan Edwards,1845 The Works of President Edwards. Edited by E. Williams and E. Parsons. With memoirs of his life by S. Hopkins Jonathan Edwards,1844 *The Works of President Edwards in Four Volumes* Jonathan Edwards,1844 **The Power of One Prayer** Anita Higman,Marian Leslie,2024-06-01 If you ve experienced the power of prayer you know that just one single little prayer goes a very very long way resulting in a bigger bolder faith You re invited to grow your faith alongside these 200 plus prayer themed devotions where you ll be challenged and inspired to pray every day with more courage more love more hope more joy more patience more trust and all of your heart With each turn of the page you ll be drawn closer to the heavenly Father as you meditate on each truth filled devotion and open your heart and mind to His very best for you *War with Devils:* Isaac Ambrose,1769 *Soul Cure* Gregory Dickow,2022-05-03 Your Most Valuable Possession Your soul simply put is your mind to think your heart to feel and your will to decide It s the very deepest part of your humanity the source of all treasure and talent Refreshingly honest and keenly insightful pastor and talk show host Gregory Dickow shows how your mindset is the single most powerful force in shaping your emotions your decisions and your destiny When you discover the power of God s healing love then fear anxiety anger and shame will stop sabotaging your happiness and your life Your best days are going to be your next days Turn your pain into purpose and let God continue your winning story **Singing by Herself** Amelia Worsley,2024-08-15 Singing by Herself reinterprets the rise of literary loneliness by foregrounding the female and feminized figures who have been overlooked in previous histories of solitude Many of the earliest records of the terms lonely and loneliness in British literature describe solitaires whose songs positioned them within the tradition of female complaint Amelia Worsley shows how these feminized solitaires for whom loneliness was both a space of danger and a space of productive retreat helped to make loneliness attractive to future lonely poets despite the sense of suspicion it evoked Although loneliness today is often associated with states of atomized interiority soliloquy and self enclosure this study of eighteenth century poetry disrupts the presumed association between isolation singular speech and bounded models of poetic subjectivity In five chapters focused on lonely poet figures in the works of John Milton Anne Finch Alexander Pope Thomas Gray and Charlotte Smith which also take account of the wider eighteenth century fascination with literary loneliness Singing by Herself shows how poets increasingly

associated the new literary mode of being alone with states of disembodiment dispersal and echoic self doubling. Seemingly solitary lonely voices often dissolve into polyvocal allusive community. Worsley argues when in dialogue with each other and also with classical figures of feminized lament such as Sappho, Echo and Philomela. The book's provocative reflections on lyric mean that it will have a broad appeal to scholars interested in the history of poetry and poetics as well as to those who study the literary history of gender, affect and emotion.

The Question of Political Community Jonna Pettersson, 2018-11-15. From discussions on democracy to attempts to widen the scope of citizenship beyond the confines of the nation state, Western thinking of the political community has continued to assume a unifying principle of sameness reflected in history, space, language or reason as the condition of possibility of the community. The author assesses how, despite attempts to broaden the scope for inclusion and the meaning of political existence, contemporary political theory gives rise to new externalities through relying on a notion of the community as predicated on sameness. Proceeding normatively and hermeneutically, *The Question of Political Community* seeks to divert the thinking of political community from assumptions of calculability, unity and boundedness by elaborating a notion of sameness that does not presuppose difference and a notion of difference that does not presuppose identity. Through close engagements with texts in contemporary political theory and continental philosophy, it is argued that in order to confront the problem of closure and exclusion, the question of political co-existence needs to be reformulated and relocated so as to grasp the meaning of an incalculable community.

The Puritan Imagination Todd D. Baucum, 2022-07-29. This book seeks to add a needed introduction to a way of meditation used among early modern English Protestants influenced by Bishop Joseph Hall. Furthermore, the major role that Hall had in his *Arte of Divine Mediation* on late seventeenth century Protestant spirituality went beyond the practice of meditation and established a positive claim on the role of the imagination in shaping souls well into the modern period. Within this context, the questions related to ancient understandings of faith and the interrelationship of divine revelation are discussed with fresh insights for our own times. If a revival of interest emerges again in Hall's work, it would be a compelling and fresh impetus to reclaim the broken imagination evident in many parts of the Western Church.
