*Jazz in Socialist Hà Nội* Stan BH Tan-Tangbau, Lru Quang Minh, Quyền Thiện Đắc, 2022-03-22 Jazz in Socialist H N i Improvisations between Worlds examines the germination and growth of jazz under communist rule perceived as the music of the enemy and ideologically decadent in the Vietnamese capital of H N i After disappearing from the scene in 1954 following the end of the First Indochina War jazz reemerged in the public sphere decades later at the end of the Cold War Since then H N i has established itself as a vital and vibrant jazz center complete with a full jazz program in the national conservatoire Featuring interviews with principal players involved in cultivating the scene from past to present this book presents the sociocultural encounters between musicians and the larger powers enmeshed in the broader political economy detailing jazz's journey to garner respect comparable to classical music as an art form possessing high artistic value Ethnographical sketches explore how Vietnamese musicians learn and play jazz while sustaining and nurturing the scene providing insight as to how jazz managed to grow in such an environment Jazz in Socialist H N i sheds light on those underlying caveats that allow Vietnamese jazz musicians to navigate the middle grounds between worlds between music and politics not as an act of resistance but as realisation of artistic expression

**Close Listening** Charles Bernstein, 1998-04-30 Close Listening brings together seventeen strikingly original essays especially written for this volume on the poetry reading the sound of poetry and the visual performance of poetry While the performance of poetry is as old as poetry itself critical attention to modern and postmodern poetry performance has been surprisingly slight This volume featuring work by critics and poets such as Marjorie Perloff Susan Stewart Johanna Drucker Dennis Tedlock and Susan Howe is the first comprehensive introduction to the ways in which twentieth century poetry has been practiced as a performance art From the performance styles of individual poets and types of poetry to the relation of sound to meaning from historical and social approaches to poetry readings to new imaginations of prosody the entries gathered here investigate a compelling range of topics for anyone interested in poetry Taken together these essays

encourage new forms of close listenings not only to the printed text of poems but also to tapes performances and other expressions of the sounded and visualized word The time is right for such a volume with readings spoken word events and the Web gaining an increasing audience for poetry Close Listening opens a number of new avenues for the critical discussion of the sound and performance of poetry

**The Solo English Cantatas and Italian Odes of Thomas A. Arne** Paul F. Rice, 2020-01-08 This study examines Thomas Arne's solo cantatas and Italian odes from musical literary and social perspectives Arne composed these works between 1740 and 1774 As such they provide a means of evaluating the evolving aspects of his musical style throughout his compositional career The Italian odes have been little studied but provide an important gloss on Charles Burney's comments on Arne's inability to set the Italian language Study of the cantata texts that Arne set reveals that they are often pastiches which make use of the words of William Congreve Alexander Pope Christopher Smart and others The resulting process of adaptation and recombination recontextualizes the borrowed material resulting in differing emphases and changed meanings Arne was restricted in his career opportunities because of his Catholic faith The cantata genre provided Arne with an important creative outlet in the hedonistic atmosphere of the concerts of London's pleasure gardens
