Studies is a comprehensive state of the art survey of the interdisciplinary study of cultural heritage Outlines the key themes of research including cultural preservation environmental protection world heritage and tourism ethics and human rights Accessibly organized into a substantial framework setting essay by the editors followed by three sections on expanding using and abusing and recasting heritage Provides a cutting edge guide to emerging trends in the field that is that is global in scope cross cultural in focus and critical in approach Features contributions from an international array of scholars including some with extensive experience in heritage practice through UNESCO World Heritage Centre ICOMOS and national heritage systems The Big Death , Sibling Interaction Across Cultures Patricia G. Zukow,2012-12-06 Sibling Interaction Across

Cultures is a collection of studies focusing on the role siblings play in the social emotional and cognitive development of their younger siblings Unlike much previous research on sibling relationships these studies share the underlying assumption that social interaction plays a significant role in the acquisition and transmission of cultural knowledge and social understanding The contributors evaluate the advantages as well as limitations of current methodological issues directly affecting sibling research and assess the various theoretical perspectives underpinning these methodologies Drawing from empirical cross and infra cultural research this volume lays new groundwork for identifying universal environmental and culture specific aspects of the role of siblings in child development **So What? Now What? The Anthropology of Consciousness**

**Responds to a World in Crisis** Matthew C. Bronson,Tina R. Fields,2009-05-05 The greatest crisis of our times in a failure of the human imagination Editors The world is currently undergoing a period of unprecedented crises on virtually every front economic ecological and humanitarian It is starkly apparent that a shift is needed in our dominant structural systems and that by addressing the collective thinking that has created and maintained these systems scholars can do their part to catalyze such a shift The interdisciplinary field known as the Anthropology of Consciousness offers important insights for enacting this necessary shift This book draws on the work of a group of diverse scholars to explore what the intersection of anthropology and consciousness studies can contribute to the public turn within anthropology and the academy in general Its twelve chapters span disparate geographies and disciplinary frameworks yet cohere in their focus on common themes such as imagination empathy agency dialogue and ethics The answers to the question So What Now What differ for a linguistic anthropologist in the South Pacific an environmental educator in Hawai i a grant writing anthropologist serving a refugee agency in Portland Oregon and the founder of a girls school in Brazil Nevertheless they are united in the desire to reframe the anthropology of consciousness as an anthropology of conscience and this pioneering volume is the result **Synkrētic 4**

**Pacific Answers to Western Hegemony** Jürg Wassmann, 2020-09-02 The destruction of local identity through the relentless encroachment of a McDonaldized cultural imperialism is a global phenomenon Yet the reactions of Pacific peoples to this Western hegemony are diverse and encourage the creation of independent cultural identities through sports and games political mediations tourism media and filmmaking and the struggles for land rights and titles particularly in Australia This book based on extensive fieldwork addresses a subject of great immediacy to peoples of the Pacific Island nations It fills an important gap in existing ethnographic literature on the region and confidently navigates what had previously been

considered uncharted even unchartable waters that wide sea between the classic ethnography of Oceania and contemporary anthropology's theoretical concerns with global relations and transnational cultures. Its breadth, rigour and timely contribution to post colonial politics in Oceania are certain to ensure that this book will provide an enduring contribution to the field.
