

The background of the cover is a classic landscape painting of a forest. In the foreground, several massive, reddish-brown tree trunks (likely redwoods or sequoias) stand prominently. The forest floor is covered in a layer of brown and green foliage. In the mid-ground, a small, rustic wooden cabin with a chimney is nestled among the trees. The background is filled with a dense canopy of green trees, with some light filtering through the leaves. The overall tone is serene and majestic.

John Muir Trail: South to North Edition Elizabeth Wenk, 2022-11-15 This complete digital only guide for hikers and backpackers describes the 220 mile John Muir Trail from south to north. Stretching 220 miles from Yosemite Valley to Mount Whitney and onward to Whitney Portal, California's famed John Muir Trail (JMT) is one of the most popular backpacking routes in the US. It passes through some of the most dramatic scenery in the country: massive granite peaks, dizzying waterfalls, pristine alpine lakes and vibrant meadows filled with Sierra wildflowers. Plus it offers the mildest, sunniest climate of any major mountain range in the world. The John Muir Trail South to North Edition contains the information you need for hiking or backpacking the route. The comprehensive guide describes the entire passage with detailed directions as well as UTM coordinates for important junctions, lateral trails, campsites, food storage boxes and other points of interest. The book divides the trail into 13 sections and each section includes an elevation profile and a table that lists elevation, distance from the previous point and total mileage. Inside you'll find: Detailed description of the entire trail from an expert author; Trail junction locations and distances between junctions; Comprehensive table of campsites; 17 topographic maps plus elevation profiles; Side trips to 15 notable peaks; Pre trip planning information about food resupplies, gear, permits and more. Whether you're hiking the entire JMT or just sections of it, you'll find expert start to finish advice in the updated edition of this guidebook.
